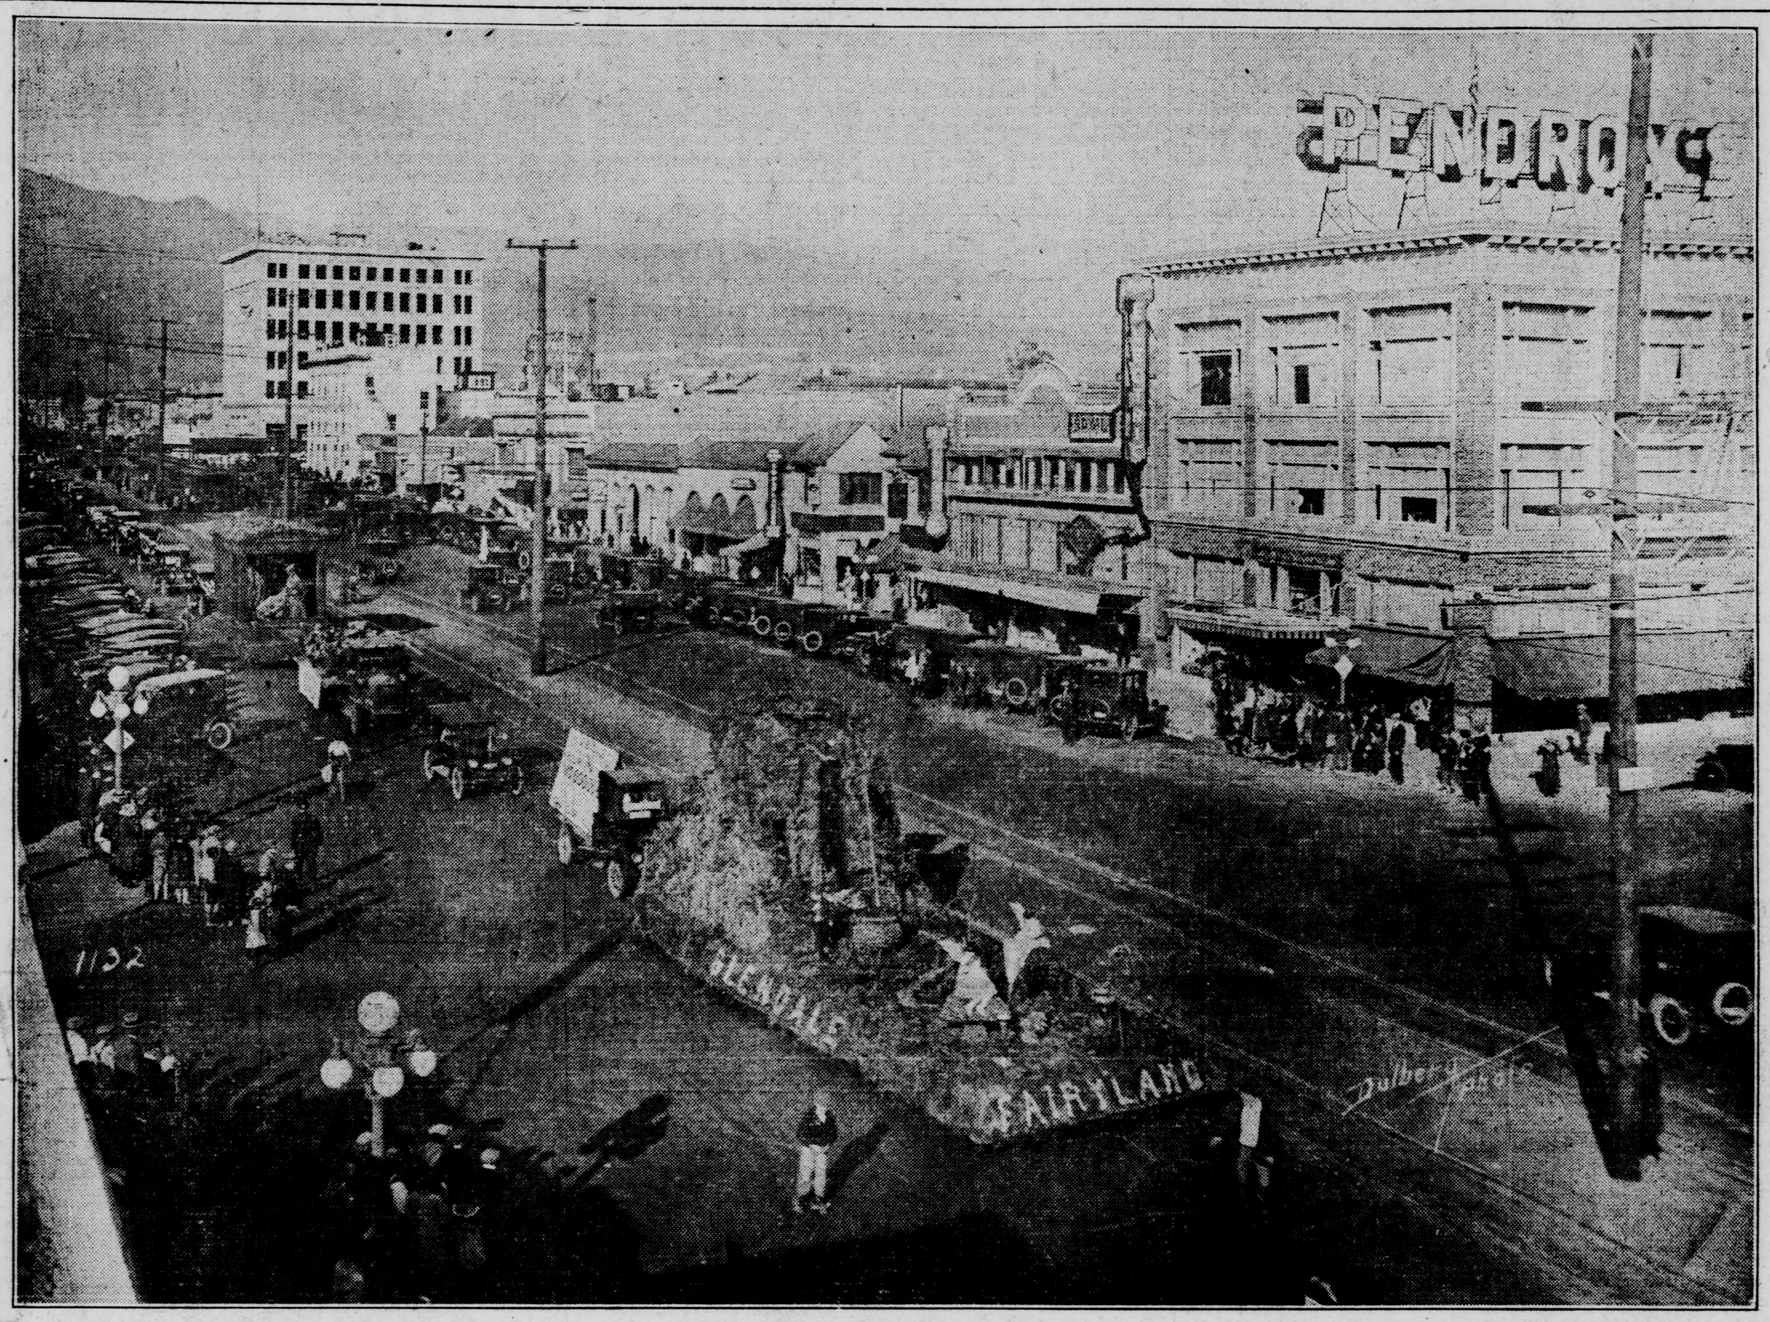
VOTE! AND VOTE ON TWO PROPOSITIONS!

Picture Shows Bit of Greater Glendale and City's Two Prize Winning Floats In Ten Million Dollar Parade



This picture, taken by Dolberg's Studio, shows Glendale's two prize winning floats taking part in the city's $10,000,000 parade last Saturday. More than 1000 autos were in line. The picture shows Pendroy's department store at the corner of Brand and Harvard, the block of buildings on Brand between Harvard and Broadway on the east side and the six story structure of the Security Trust & Savings bank nearing completion. The picture well shows a bit of Glendale—a city of 50,000 population with building permits totaling $10,000,000 last year. It is suggested that copies of today's Glendale Evening News be sent friends back east, for this picture gives the city's two floats that took prizes at Pasadena New Year's day, a fine view of a portion of the business section, and a hint of Greater Glendale. Pictures showing every phase of Glendale's giant $10,000,000 building and sewer bond parade last Saturday afternoon are on display at the Dolberg studio, 206 West Broadway. These pictures, of which there are forty, were taken by Glenn R. Dolberg from atop the Coker & Taylor building on South Brand boulevard, and many Glendalians will be glad to avail themselves of Mr. Dolberg's offer to come to the studio and inspect them.

CAST BOTH BALLOTS AT POLLS! URGE NEIGHBORS TO SUPPORT BOND ISSUE!

All Voting Places Will Remain Open Until 7 o'Clock Tonight; More Machines Needed To Carry Voters; Enlist Your Car!

Need More Automobiles!

More automobiles are needed to carry voters to the polls, it was announced at noon today by M. Walters, who is in charge of the transportation division of the organization working for the success of the sewer bond issue and the contract with Los Angeles. Precinct workers are calling for cars and to meet the demand, Mr. Walters urges that automobile owners report with cars at his office, 200 East Broadway, immediately. His telephone number is Glendale 2163. A rush of voters is expected late this afternoon and hundreds of cars will be required. Enlist your machine in Glendale's cause!

Glendale arose this morning with a determination to vote the $1,600,000 sewer bonds and approve the contract with Los Angeles, thus ending a municipal disgrace and paving the way to a city of 100,000.

Scores voted before breakfast and hundreds on the way to work. From then on the votes have come pouring in all morning, keeping every precinct busy. A canvass of the seventeen polling places made shortly before noon indicates that the heaviest vote in the history of Glendale will be cast before the polls close at 7 o'clock tonight.

Already approximately 3000 votes have been cast out of a total of some 12,000 registered voters within the city limits. The great noon rush will add many to this, precinct captains say, and another period of heavy voting will take place after work at night, when many whose employment is out of town will stop on the way home to express themselves in this vital matter.

Predict Heavy Vote

Naturally, the morning vote was heaviest in the precincts close to the heart of the city, where it was possible to step out and vote without loss of time. In the outlying residence districts the vote has been slower, but it is believed that practically every voter will visit the polls before they close, as it is here that civic pride is staunchest.

J. E. Barney, captain of precinct No. 4, declares, from his observation this morning, that the vote will be 9 to 1 in favor of the bonds. Peter Hanson, president of the Glendale Realty Board, and an active bond worker, makes the plain statement that the people should not be over-confident but should turn out to the last vote.

It is commonly conceded that every vote not cast is as good as cast against the bonds. The voter who stays at home, therefore, confident that the election will carry without his or her aid, is inimical to the best interests of Glendale.

Polls Close at 7 P. M.

The polls will remain open until 7 o'clock tonight. Those in line at that hour have the right to vote, under the law.

But vote as long before that hour as is possible, for there will, it is predicted, be a last-minute crush at the various polling places. VOTE NOW!

If you have no way of reaching the polls, telephone Glendale 2163 and an automobile will be sent for you.

If you are in doubt as to your voting place, call Glendale 1780 and you will be given the information. The Glendale Evening News, Glendale 132, will also be glad to give the desired information.

Also, the city clerk's office, Glendale 1300, and the police department, Glendale 190, will an-

Election Returns To Be Announced By Evening News

The Glendale Evening News will, of course, provide the people of Glendale with returns on today's sewer bond election. This newspaper has complete plans to gather the returns and bulletin them at the office, 139 South Brand boulevard, where the public is invited. The Glendale Evening News will also announce returns over the telephone. Call Glendale 132 and get the latest.

The polls close at 7 p. m. and soon afterward the partial returns will begin coming in. The complete results on the sewer bonds and the contract with Los Angeles will be available early in the night, it is predicted.

ASSASSIN HURLS BOMB AT KEMAL

Turkish Leader's Wife Foils Assailant's Attempt to Murder Husband

LONDON, Jan. 8.—Mustapha Kemal Pasha, head of the Turkish government, was saved from serious injury or death at the hands of an assassin by the heroism of his young wife, according to dispatches from Smyrna today.

The dispatches stated that a young man called at Kemal's home in Smyrna, claiming that he had an important letter for Kemal. Mme. Kemal admitted the caller, but her suspicions were aroused by his behavior.

She asked the youth to wait until she called her husband. As she turned to leave the room, the assailant threw a hand grenade. It exploded just as Kemal opened the door to enter.

One dispatch said that Kemal was unhurt, but that his wife was wounded. Another dispatch, received by the Daily Express, said that Kemal was struck by flying fragments, and was preparing to return to Angora for treatment.

Rehearing Sought In Oregon Murder Case

SALEM, Ore., Jan. 8.—A rehearing of the case of Russell Hecker, under sentence of murder for the killing of Frank Bowker, a Portland musician, is asked in a petition filed in the Oregon supreme court here today.

The petition attacks the constitutionailty of the Oregon hanging law, and asserts the court erred in its decision that the jurors did not separate during the trial.

Poison Gas For Executions Legal, Court's Decision

RENO, Nev., Jan. 8.—Two and possibly three men will be put to death by lethal gas in Nevada within the next ninety days.

Following the denial of a writ of prohibition by the state supreme court, the last step in a three-year fight to have the lethal gas method of execution declared cruel and inhumane, Judge Walsh at Mina, Mineral county, today was to set the date for the execution of Gee Jon and Hughie Sing, Chinese Tong murderers.

Warden D. S. Jackson of the state prison said the poison gas chamber can be built in sixty days.

Labor Warfare Looms In Chicago Shooting

CHICAGO, Jan. 8.—Fears of a flare-up of labor warfare as the result of the killing of one man and the wounding of two others led Chief of Police Collins to assigne sixty extra policemen today to the Central and Des Plaines stations in the battle grounds of the feuds.

Two teamsters' unions engaged in a contest for supremacy, according to the police, have threatened open hostilities at a meeting scheduled for a west side hall late today.

John Gilmore was shot to death and John Dunne, deposed business agent of the Bridge and Structural Iron Workers' union, may die from five bullet wounds suffered in a serious outbreak last night in bricklayers' hall.

FARM BLOC WILL FIGHT TAX PLAN

Mellon Program Faces Stiff Opposition at Hands Of Agriculturists

WASHINGTON, Jan. 8.—The farm blocs in Congress will join the opposition to the Mellon tax reduction program in "certain aspects," it was announced today by Senator Arthur Capper, Republican, Kansas, chairman of the Senate bloc.

The agriculturists will get into the free-for-all fight, he said, in order to insure to the farmer a "fair share of relief" from the present burdens of taxation, and to oppose Mellon's plan affecting "millionaire incomes."

ORDER PROBE OF GRAIN GAMBLERS

Boards of Trade Throughout Country Charged With Juggling Prices

WASHINGTON, Jan. 8.—The senate agriculture committee today adopted a favorable report on a resolution by Senator Ladd, Republican of North Dakota, ordering Secretary of Agriculture Wallace to investigate activities of grain speculators in boards of trade throughout the country.

The resolution charges that board of trades have opposed the rise of wheat prices by trying to "bear" the market; that the grain market has been depressed by short selling and that grain prices have been "held materially below a level warranted by legitimate supply and demand conditions."

CALL FOR TROOPS IN PROHIBITION RAIDS

SALEM, Ill., Jan. 8.—The Third battalion of the 130th infantry, Illinois National guard, has been ordered to proceed at "earliest convenience" to Williamson county, and Company 1, 130th infantry, was being mobilized here this noon. It was said that serious trouble had broken out in Williamson county as the result of prohibition raids.

SENATE TO HOLD RECOUNT OF TEXAS BALLOTS

WASHINGTON, Jan. 8.—All ballots cast in the Texas senatorial election of 1922 will be brought to Washington and recounted under the jurisdiction of the senate committee on privileges and elections, it was announced this afternoon. This action was agreed upon as the first step in the contest brought by George E. B. Peddy to unseat Senator Earle B. Mayfield, Democrat, of Texas.

Gold Production Is Biggest Output Since Year 1919

WASHINGTON, Jan. 8.—Gold production in the United States in 1923, totaled $51,378,700, an increase of $2,529,600 over 1922 and the largest annual output since 1919, the bureau of the mint announced today.

The silver production was valued at $59,541,184, a 29 per cent increase over 1922. The figure has been exceeded only in 1915 and 1916. The country's record gold production was mined in 1915, with a value of $101,305,700.

Kin of Millionaire Is Granted Divorce

LOS ANGELES, Jan. 8.—Mrs. Lucy Lee Byrn, said to be a relative of the late Thomas Henry Swope, Kansas City millionaire, who figured as the alleged victim of a poison plot several years ago, was free of marital ties today, having been granted a divorce from William B. Byrn, Kansas City shoe merchant.

Trotzky Compelled to Relinquish All Work

MOSCOW, Jan. 8.—Leon Trotzky, Russian commissar for war, and, next to Lenine, the most spectacular figure of the Bolshevist revolution, is suffering from a head and throat ailment which has compelled him to relinquish entirely his duties, it was officially announced today.

WOODROW WILSON POWER IN PARTY

Ex-President Shows Interest In Political Events As Campaign Nears

WASHINGTON, Jan. 8—Woodrow Wilson is politically more active today—Jackson day, 1924—than he has been at any time since his retirement from the White House three years ago. His mail is more voluminous, he is seeing more callers, he is writing more, his spirits are better, and with the gradual improvement in his health in the last year he is taking a keener interest in Democratic affairs.

Just what this portends, his friends do not pretend to say. But they point with some significance to the fact that this renewed interest is in line with the crystallization of party plans and strategy for the coming presidential campaign.

Wilson messages to Democratic organizations and individuals anent current affairs and politics are now going on from 2340 S. street with greater frequency than heretofore.

Prison Employe Sold Narcotics, Is Charge

PHILADELPHIA, Pa., Jan. 8.—Henry M. Rudolph, chef at the Eastern State penitentiary, was held in $10,000 bail today on a charge of supplying prisoners with narcotics. The charge against Rudolph was prepared by Colonel John C. Groom, warden, and Captain Herbert Smith, the first deputy warden.

4 LOCAL PEOPLE INJURED IN CRASH

Car Driven By J. H. Rand Overturns; William Morse May Die of Hurts

One person received injuries that may prove fatal and three others were slightly injured when a car driven by J. H. Rand, son of Dr. J. H. Rand, 411 North Central avenue, with offices in Los Angeles, struck an open culvert and overturned early this morning at the junction of Scott and Glendale boulevard.

William Morse, 27, said to be a son of a Glendale physician, was seriously injured, and Miss Lorena Allewelt, daughter of Mrs. G. D. Allewelt, 331 West Lexington; Miss Mariel Reed and Al Gilhouser received numerous cuts and bruises.

Dr. Rand could not be reached at his residence or office this morning, but information gained from other sources showed that until recently his son, said to be the driver of the car, was connected with the Glendale Airport.

Rand was released on his own recognizance.

Balfour Girl's Story Probed by Physicians

LOS ANGELES, Jan. 8.—First efforts to get from Eveline Balfour, 16, daughter of Constance Balfour, well-known singer, the story of her experiences during the two days she was mysteriously missing rrom her home, were made today under direction of Dr. S. M. Alter, under whose care the girl's stupor has disappeared.

Mrs. Balfour is convinced her daughter was kidnaped and held prisoner while on the other hand Chief of Police Vollmer asserts she was not kidnaped or attacked.

Wed At Home

At a home wedding Saturday night, January 5, 1924, Miss Audrey B. Hall, daughter of Mr. and Mrs. Harry W. Hall of 227 North Louise street, and Joseph H. Billingsly, son of Mr. and Mrs. Robert Billingsly of 356 West Vine street, were married by Rev. C. R. Norton.

The ceremony was performed at 8 o'clock before a small company of relatives and friends.

Before the hour for the ceremony Miss Elizabeth Mottern sang "At Dawning" and "O Promise Me." Mrs. Edith Gregg played the Lohengrin wedding march.

Miss Hall wore a becoming gown of white georgette crepe, trimmed with pearls. She wore a wreath of orange blossoms in her hair and carried a shower bouquet of bride's roses and lilies of the valley. She was given in marriage by her father.

Attending her was Mrs. Hazen Besant, as matron of honor. She wore a gown of white crepe de chine and carried an arm bouquet of pink sweetpeas.

Mr. Billingsly was attended by Herbert Besant.

The ceremony was performed under a canopy of smilax and pink sweetpeas, with a white dove given a place of prominence over the place where the bridal party stood.

After congratulations were extended pink heart ice cream was served with the bride's cake.

Both Mr. and Mrs. Billingsly are graduates of the Glendale Union High school and have many friends in Glendale, where they are to make their future home.

Twilight Wedding

At the twilight hour Sunday, January 6, 1924, Miss Violet Catherine Harris of San Diego and Charles P. Brice, Jr., son of Mr. and Mrs. Charles P. Brice, Sr., of 304 North Kenwood street, were married at the Brice home by Dr. H. I. Rasmus of the First Methodist church. Immediate relatives and a small group of friends were in attendance.

The announcement of the wedding is of interest in Glendale for Mr. Brice has lived here thirteen years. He is a graduate of the Glendale Union High school and is president of the Glendale Athletic club. He is connected with the W. J. Heinz corporation.

After spending several days at Seminole Hot Springs, the young couple will return to live in Glendale.

Returns Home

The announcement that Mrs. H. D. Goss, president of chapter L. P. E. O. will arrive home today from Windham, Minn., where she has been visiting since November, and will be present Wednesday at the chapter meeting and luncheon was very delightful to the members.

Mrs. P. E. Maxwell, chairman of the philanthropic committee also announces that there will be a grocery shower for the Glendale Welfare bureau tomorrow.

♣ ♣ ♣

Elect Officers

Election of officers will take place tomorrow afternoon at the meeting of the Women's Auxiliary of St. Mark's Episcopal church in the guild hall. The meeting will begin at 2:30 o'clock and the retiring president, Mrs. John Trotter, will preside.

♣ ♣ ♣

Legion Auxiliary

The American Legion Women's auxiliary is to meet Monday night, January 21, in the Legion hall on East Broadway. At that time Mrs. E. W. Gilliland, president, will give a report on the Christmas work and will announce her committees for the year.

♣ ♣ ♣

Meeting Tonight

Members of Mary Jane Gillette Tent No. 18, Daughters of Veterans, will meet tonight, Tuesday, January 8, it is announced. This is the regular semi-monthly business meeting and all members are urged to be in attendance.

You can now get the wonderful Pembrooks Indian Tonic for Rheumatism, Piles and Blood at Roberts & Echols and Ahlmann Drug Co.—Advertisement 1/8-1/10-1/12.

Club Hostess

One of the delightful affairs of the week was the affair given yesterday by Mrs. S. H. Waller when she entertained the members of the Monday Afternoon Five Hundred club at luncheon and informal social afternoon at her home, 343 West Broadway.

Artistic arrangements of rose pink carnations were used as decorations. A basket of carnations formed the center piece for the luncheon table and the place cards and tally cards were carried out in the basket design.

Luncheon was served at 1 o'clock, which was followed by an afternoon of Five-Hundred. Mrs. Gus Johnson was awarded first prize for high score and Mrs. E. W. Cizek, consolation.

Those present were: Mesdames Leroy Bradley, Emil Johnson, Mary Griggs, E. W. Cizek, Homer Lockwood, E. S. Dodds, G. M. Johnson and the hostess, Mrs. S. H. Waller.

♣ ♣ ♣

Honor Glendale

Glendale was honored Monday at the meeting of the Los Angeles County Council of War Mothers at Whittier, for Mrs. Grace Dreyer and Mrs. Annie Morgan of Glendale were chosen second vice president and treasurer.

Other officers elected were: Mrs. Anna Overman of Whittier, president; Mrs. Young of Pasadena, first vice president; Mrs. Mary Haver of Pasadena, secretary.

The Glendale chapter is to meet at 2 o'clock tomorrow afternoon in the women's parlor of the Glendale Presbyterian church, at the corner of South Louise and East Harvard streets.

At this time the new officers will be installed by Mrs. Nellie Snow Hyer, district organizer. The meeting is open to all mothers of world war veterans.

HOLD-UP VICTIM LOSES $70, CLAIM

Two Burglaries Reported to Police By Residents of Robbed Homes

Following the week-end epidemic of burglaries, with an oil station hold-up as a star attraction, another hold-up, this time in broad daylight, and two more burglaries were reported to the police yesterday afternoon.

A report received by the local police department at 4:30 yesterday stated that Frank Newman, 901 San Antonio street, Los Angeles, driver for the Leader Bakery company, 3908 East First street, of Los Angeles, was held up and robbed of $30 of his own money and $40 belonging to his employers on Lexington avenue, near Glendale avenue.

Delay in Report

The hold-up is supposed to have occurred at 2 o'clock and just why it was not reported to the department sooner the police officials have not been able to ascertain. According to Newman's story, two men drove alongside of his machine in a Dodge or Chevrolet car and forced him into the curb. He thought they were officers and stopped. When he attempted to leave the machine and was stepping on the running board, one of the men, he states, kicked him in the stomach, rendering him unconscious.

He was able to give the police a fairly good description of his assailants.

The homes of Mrs. C. D. Kress, 1108 East Harvard street, and Mrs. Catherine Bailey, 233 South Verdugo road, were entered Sunday night and miscellaneous articles of jewelry and clothing were taken.

Wife of Millionaire Fights Divorce Suit

NEW YORK, Jan. 8. — Fighting back at her husband who has sued her for divorce, Mrs. Bertha Diamond, wife of Louis Diamond, millionaire Brooklyn grocer, has applied for $250 weekly alimony and $5,000 attorney fees. Diamond, in his suit for divorce, alleges his wife had deserted him last summer with their seven-year-old daughter and gone to Los Angeles with Joseph Elari. He charged they lived together there in a bungalow at 272 S. Coronado street and presented a copy of the lease for the bungalow, allegedly signed by his wife as "Mrs. Bertha Elari."

The officers, following the rebel retreat, confiscated 1400 quarts of whisky, twenty horses and camp supplies left by the Mexicans.

Coolidge Paves Way to Reorganize Board

WASHINGTON, Jan. 8.—President Coolidge paved the way yesterday for his projected re-organization of the United States shipping board by withdrawing from consideration by the senate the nomination of Edward P. Farley of Chicago, who was originally selected for the chairmanship.

Refusal of the senate commerce committee to approve the Farley appointment because of the geographical restrictions imposed by the shipping laws was responsible for the withdrawal of his name.

ARREST FIVE ON ROBBERY CHARGE

Hundred Dollar Bills Found in Car Captured in Police Dragnet

SAN FRANCISCO, Jan. 8.—A few hours after the robbery of the Jeremiah McCarthy residence had been reported to police, officers gave chase to a Pierce-Arrow automobile yesterday and arrested four men and a woman riding in it.

The police found two one hundred dollar bills tucked under the cushions of the car and after the four men had been transferred to a police car, three other hundred dollar bills were found beneath the cushions of it. There were five one hundred dollar bills in the $700 in cash taken at the McCarthy home, police said. In addition a considerable amount of jewelry was taken.

Ed Beckman, Ed Mahoney, John Brennen and David Knight were charged with robbery and Mrs. Brennen, the woman, was charged with vagrancy. William Cassidy was later picked up as a suspect.

Police believe they have broken up an active gang of robbers. Entrance to the McCarthy home was gained through a basement window.

EARLY DOWNFALL OF TORIES SEEN

British Parliament Convenes For Session Full of Peril to Baldwin

LONDON, Jan. 8.—Great Britain's new Parliament convened today for a session which is expected to see the early downfall of the Tory government.

Lady Terrington, wife of Baron Terrington, who was elected to Commons on the Liberal ticket, was the first of the eight women members to put in appearance. Former Premier H. H. Asquith, suffering from a chill, was unable to attend.

The program for the day was; re-election of Speaker James Whittley; speeches of congratulation by Premier Stanley Baldwin, former Premier Lloyd George and Ramsay Macdonald, leader of the labor party, brief adjournment to allow King George to confirm the re-election of the speaker; resumption of the session to begin swearing in the new members.

AN OLD RECIPE TO DARKEN HAIR

Sage Tea and Sulphur Turns Gray, Faded Hair Dark and Glossy.

Almost everyone knows that Sage Tea and Sulphur, properly compounded, brings back the natural color and lustre to the hair when faded, streaked or gray. Years ago the only way to get this mixture was to make it at home, which is mussy and troublesome.

Nowadays we simply ask at any drug store for "Wyeth's Sage and Sulphur Compound." You will get a large bottle of this old-time recipe improved by the addition of other ingredients, at very little cost. Everybody uses this preparation now, because no one can possibly tell that you darkened your hair, as it does it so naturally and evenly. You dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time; by morning the gray hair disappears, and after another application or two, your hair becomes beautifully dark, thick and glossy and you look years younger.—Advertisement.

AUTHOR DENIES CHAUFFEUR LOVE

Nina Wilcox Putnam Asserts She's Willing to Fire Former Clam Digger

By JACK CARBERRY
For International News Service.

NEW YORK, Jan. 8.—"Believe you me," Nina Wilcox Putnam's next novel will not be titled "Ladies and Their Chauffeurs," although it might be. Mrs. Putnam-Sanderson—the verdict is still out—said so in just those words today.

"I'll discharge Mr. Bassett this very minute if his wife says so," Miss Putnam promised in frank discussion of the triangular events of her life, involving Ellsworth F. Bassett, her six foot four blonde New England clam-digger chauffeur-business agent, and his little postoffice clerk wife.

"I'm not the kind of a woman who would rob another woman of her husband—please say that for me," Miss Putnam insisted.

She Sheds Tears

"I have cried and cried over this thing—now I am mad and hurt," Miss Putnam said, shaking her bewitching black bob, in which traces of gray are beginning to show. Fire flashed from the eyes she inherited from her Spanish mother.

"I had always thought Gertrude—that is Mrs. Bassett—my friend; thought so until now. How can she say these things about me I cannot understand.

"Of course I say it is immoral for man and wife to live together after love has died—most unmoral. But in the case of the Bassetts I do not know if love lives there or not—I have never inquired.

"I did not ask Gertrude to divorce her husband and give him to me," Miss Putnam said. "I do not believe in divorce. Oh, I know you will ask how I square that with my writings in favor of divorce.

Necessary Evil

"Divorce sometimes becomes necessary—it became so in my case. The fault does not lie with marriage. It is with the people who marry. If divorce were easier there would be less divorce."

Miss Putnam made it clear she was going to fight.

"My reputation has been ruined—ruined by malicious calumny," Miss Putnam said. "I want people to know the truth. Mr. Bassett is just an employe. I have treated him as such. He has driven me in my car and has served as my business agent. I will discharge him this very minute if he has not been. I would rather cut off my hand than hurt her, or any woman."

Miss Putnam said she would confer with her attorneys today and if necessary prepare an answer to any legal action which may be taken by Mrs. Bassett, alleging alienation of her husband's affections.

Decree Set Aside

Miss Putnam said she had no intimation of Mrs. Bassett's charges when she left Florida, where, with Bassett, her secretary and his wife, she has been wintering at her orange grove.

"I came home to straighten the legal triangle of my divorce from my second husband, B. J. Sanderson," Mrs. Putnam said.

Miss Putnam was granted a divorce at Providence, R. I., her husband's home. The court then set the decree aside pending investigation of alleged collusion and fraud.

Demand Cancellation of Naval Oil Leases

WASHINGTON, Jan. 8. — Outright cancellation of the naval oil reserve leases at Teapot dome, Wyoming, and in California, given to the Mammoth Oil company and the Pan-American Petroleum company by the navy department, is asked by congress in separate resolutions sponsored by Senator Caraway, Democrat of Arkansas.

An effort by Caraway to get immediate consideration of the resolutions was blocked by Senator Smooth, Republican of Utah, who protested that the senate public lands committee had not yet completed its investigation of the leases.

GET TWO BALLOTS AT BOND ELECTION

Cast Both and See to It That Your Neighbors Vote For Sewers

(Continued from Page 1)

swer calls for information regarding polling places and like questions.

Remember, it takes votes to win today's election. There are more than 12,000 registered voters in Glendale and the two propositions being voted upon today require a two-thirds vote to succeed.

Get Two Ballots

It is of vital importance for voters to remember that they will be given TWO ballots when they go to the polls today. Be sure you receive TWO Ballots.

One of these ballots will carry the question as to whether the bond issue of $1,600,000 for the construction of the Glendale sewer system shall be authorized by the voters.

The other ballot will carry the question as to whether the agreement that has been entered into between the cities of Glendale and Los Angeles, through their properly chosen officials, shall be given the approval of the people of Glendale.

Cast Both Ballots!

It is essential, in order that the sewer bond issue pass and Glendale have a sewer system, that BOTH these questions be answered in the affirmative by the citizens of Glendale.

Go to the polls AT ONCE and vote YES on both questions. Remember, you will be given TWO ballots. Use BOTH of them.

Don't carry the idea that the bonds will win without your vote, just because lots of enthusiasm is being displayed. VOTES are what win elections.

If you don't vote, it means that YOU are aiding those who want the bond issue to FAIL.

Vote—and vote YES on TWO ballots, one ballot for the bond issue and the other for the agreement between Glendale and Los Angeles.

GREER TRIAL TO BRING SURPRISE

Lawyer to Spring Sensation At Friday's Hearing In Shooting Case

LOS ANGELES, Jan. 8.—Several surprises will be sprung at the preliminary hearing scheduled for Friday, of Horace A. Greer, charged with shooting and seriously wounding Courtland S. Dines, wealthy Denver oil man, while giving a party attended by Mabel Normand and Edna Purviance, it was indicated today by Clarence B. Conlin, attorney for Greer. What these surprises will be, Conlin refused to reveal.

Conlin also stated that bail for Greer, charged with assault to commit murder, will not be asked until after Dines has been discharged from the Good Samaritan hospital, where he is confined with his wound. It was also stated that an effort will be made to have Greer's bail, which is now $10,000, reduced to $2500. A former employer of Greer is expected to post the money for his release.

Stockton Officials Probe Fatal Fire

STOCKTON, Cal., Jan. 8.—Coroner Pope and Fire Chief Murphy today started a rigid investigation of the fire which last night destroyed the cottage home of Mr. and Mrs. Lee Worth and burned to death their two sons, Albert, 5, and Lee, 7.

The parents were downtown at the time of the fire. The father was said today to have been located at a lodge meeting while the mother was reported attending a motion picture show. The officials were investigating statements of neighbors that it was a practice of the Worths to lock the two children in the house evenings.

H. S. SQUAD WILL BATTLE TROJANS

Dynamiters Clash With U. S. C. Quintet; Locals Will Use Many Subs

The referee's whistle blows. Two figures leap into the air after the ball. A scramble. Suddenly a figure with a red and black jersey breaks loose. He tosses the ball at the basket. It drops through. The ref's whistle blows. Again the two figures leap high for the ball. This time a player in cardinal and gold breaks loose. But ere he can shoot at the basket the ball is taken away from him by a red and black man. Some passes, and another goal is chalked up for the Red and Black.

Such may or may not be the case this afternoon when the Glendale Union High school squad of casaba tossers clashes with the U. S. C. frosh. But, from the showing that the Dynamiters have made in practice, the Trojanettes will have to be good, very good, in order to contradict successfully the above story.

Coach Hayhurst plans to throw a lot of subs into the fray, in order to bring out the material. Just who will start has not been divulged as yet, but it is very probable that Elliott and Hardy will trot out first as forwards Carver at center, and Brucker and Swaney as guards. Although the Cardinal and Gold outfit will probably be strong, they will have hard work before them if they try to penetrate the local quintet. And the referee will likely have to keep the old whistle tooting pretty steadily, as soon as the G. U. H. S. tossers start slinging the casaba in the Trojan babes' region.

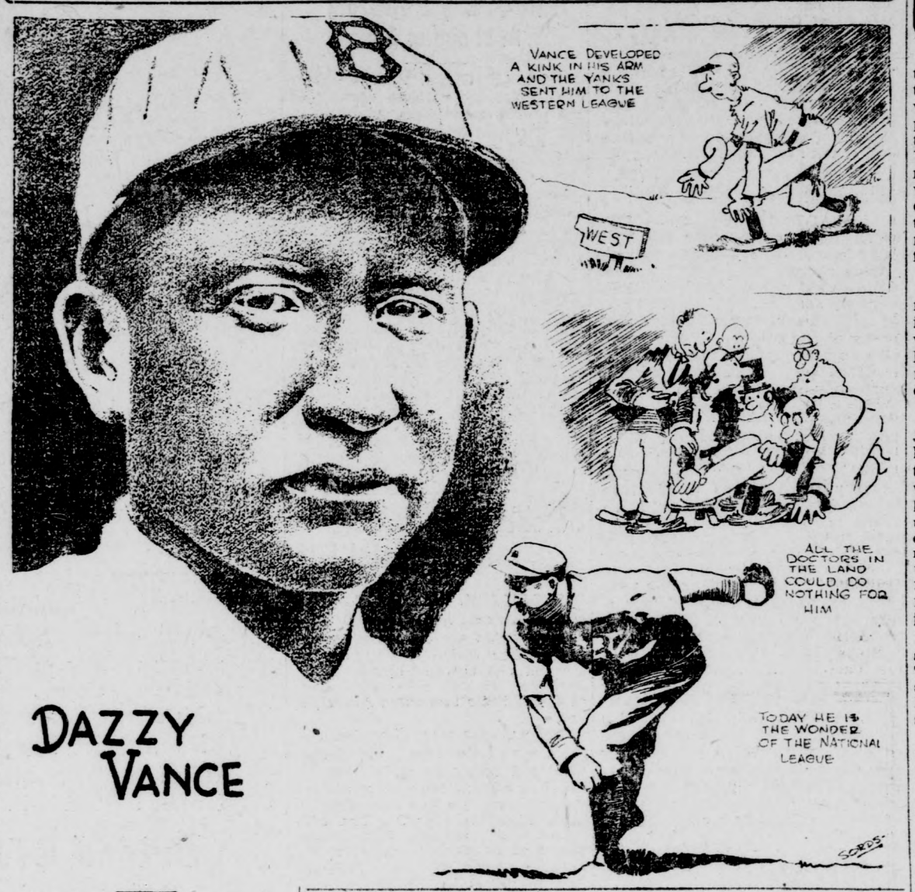
G. O. P. Delegates May Witness Title Bout

ST. LOUIS, Jan. 8.—A Dempsey-Gibbons fight of fifteen rounds to a decision, at Cleveland, Ohio, during the Republican national convention!

That was the program announced here today by James C. Mullen, promoter of the Leonard-Mitchell fight at Chicago last May, and other minor fights, who now aspires to steal some of Tex Rickard's heavyweight thunder.

"That's my program," Mullen declared, "but a lot will have to be accomplished before it can be carried out."

At the End of a Long, Long Trail



VANCE DEVELOPED A KINK IN HIS ARM AND THE YANKS SENT HIM TO THE WESTERN LEAGUE
WEST
ALL THE DOCTORS IN THE LAND COULD DO NOTHING FOR HIM
TODAY HE IS THE WONDER OF THE NATIONAL LEAGUE
DAZZY VANCE

By NORMAN E. BROWN
For International News Service.

Dazzy Vance has reached the end of the long, long trail to baseball success.

Behind him stream six long years—years of grappling against a handicap that has ended prematurely the career of hundreds of pitchers.

In five of those six years he should have taken his place in the baseball sun but for an edict of fickle Fate.

Vance, six years ago, was headed for fame. His work in the minors won him a trial with the New York Yankees. He gave every indication of developing into a wonder within a year or two. At times he showed flashes. But his arm troubled him. A stretch of brilliant pitching would be halted by a "kink" in his arm.

Specialists by the score failed to remedy the ailment. He slipped from the big show and joined the St. Joe club in the Western circuit. There the trouble continued. Then a doctor in Hastings, Neb., told Vance that the only thing that would cure the arm would be good care and time.

Vance took his word. He started "nursing the arm." He cared for it like a baby. Pitched only when it felt strong. From St. Joe he went to Columbus. From Columbus to Toledo, then to Memphis. Then on to Sacramento and back to Memphis. And then his arm began to show improvement. In 1921 he moved to New Orleans.

Pitching on a once-in-five-days schedule there, he hit his old stride. The Brooklyn Dodgers grabbed him. He had fair success in 1922 and then last spring said "I'm ready."

He proved he was. He led the league in strike-outs last year and played an important part in the opposition the Dodgers gave the Giants and other clubs in the National league race.

FIGHT RESULTS

At New York—Jimmy Kelly, New York, won on a foul from K. O. Phil Kaplan, Meriden, Conn., second round.

At Detroit—Clarence Rosen, Detroit, won easily from Patsy Wallace of Philadelphia, in ten rounds.

At Cincinnati—Johnny Tillman, St. Paul, shaded Joe Anderson, Covington, Ky., ten rounds; Young Corbett, Nashville, outpointed Tommy Billards, Philadelphia, six rounds.

At Pittsburgh—Louis "Kid" Kaplan, of Meriden, Conn., and Cuddy DeMarco of Charlerol fought a draw, ten rounds.

At Buffalo—Battling Siki of France, knocked out Tony Stabeneau of Buffalo, in two rounds last night.

Dr. Paul Hunter, Midwick, was rated fourth; Dr. O. F. Willing, Waverly, Portland, fifth; J. J. McHugh, Olympic, San Francisco, sixth; Fred Wright, Jr., Flintridge, seventh; Ben Stein, Seattle, eighth; J. F. Neville, Claremont, ninth, and Lee Steil, Seattle, tenth.

300 ATHLETES TO SAIL FOR PARIS

U. S. Olympic Team Occupy Steamship America On Trip to Europe

By DAVIS. J. WALSH
For International News Service.

NEW YORK, Jan. 8.—The American Olympic team, 300 strong, will sail for Paris on the steamship America, on June 16, according to a statement made public today at the headquarters of the A. A. U.

Charley Paddock, whose name, at present, is tacitly taboo in official circles, will be a member of the team, it is said by reliable, though unofficial, sources of information. Charles, of course, must first make good in the Olympic tryouts, to be held in the Harvard stadium, June 14, but that is regarded as a mere formality.

Having recovered from a sprained ankle, Paddock plans to resume a lecture tour that will carry him through the east and ultimately to New York. When he arrives here, a studied effort will be made by those who have the best interests of the Olympic team at heart to bring about an amicable understanding between Paddock and the A. A. U. They are not on speaking terms because the runner defied the governing body in competing abroad last summer.

The America is due to arrive in Cherbourg on June 24, and, until the opening day July 5, the time will be given over to training. The games are scheduled to come to a close on July 27, but it is altogether probable that a respectable percentage of the team members will not return to America immediately.

Book Return Passages

In order to further anticipate the wishes of the athletes, return passage has been provided on the following liners: Leviathan, July 15; America, July 25;; President Roosevelt, July 29; Leviathan, August 5; President Harding, August 7; George Washington, August 22, and the America, August 26.

The last few Olympiads have been more or less notorious for the fact that no American team has taken the trip without bitter complaint of the living quarters provided it by the American Olympic committee. It is the intention of the current body that the 1924 outfit will have no cause for dissatisfaction on this score. Colonel Thompson, chairman of the committee, spent several months abroad last year, arranging the housing details and it is believed that he intends to precede the team by a month or more, in order to be assured that his plans have been carried out.

U. S. Acts to Halt Shipments of Arms

WASHINGTON, Jan. 8.—In accordance with President Coolidge's embargo on the shipment of arms to De La Huerta rebels in Mexico, Secretary of the Treasury Mellon today issued telegraphic orders to all customs agents along the Gulf coast and the Rio Grande river to take extraordinary precautions to stop all illegal movements of war munitions into Mexico.

The customs officials will be aided by department of justice agents in preventing all arms shipments except those from the war department to the Obregon government.

Fifty per cent of the treatments of radium have been given free, it is estimated.

Just why New York papers have taken it upon themselves to refer to Johnny Dundee's junior lightweight title as a "world's championship crown" is a mystery to the writer. The title is a New York idea and there is no more reason for placing the junior lightweight division on a par with the other divisions just now than there would be to create a separate class for all the blonde-haired fighters who wear green tights.

Walter Lutske of the Indians may not be the best third sacker in the American league, but he was busier than either Willie Kamm or Joe Dugan, handling more chances, according to the official averages.

The favorite story that Hughie Jennings tells on himself concerns his debut with the Scranton, Pa., team when the fiery-headed one was trying to gain attention. He had never seen a real curve ball until he faced the opposing pitcher his first time up for the coal miners. He struck out the first two times. The next time up he missed the first one by several meters and then had a brilliant idea.

"I'll step over on the next one and be set for it," he murmured. The pitcher let one loose. Hughie stepped over. It curved the way Hughie figured it wouldn't and soaked him on the head.

As he arose weakly from the dirt and staggered to first one of his home-town friends yelled:

"That's putting the wood to it, Hughie, old boy."

Paul Strand, Coast league outfielder recently purchased by Cornelius McGillicuddy for his Athletic Hopefuls, is an interesting person in many ways. For one thing, he is one of those rare creatures that throw left handed and hit from the right side of the plate. Hal Chase is one of the few men, readily recalled, who was in that class.

Strand was a member of George Stallings' Miracle team that climbed from last place in July to the National league pennant in October in the season of 1914 and then soaked the Athletics four times in the same place. When he was sent to the minors he was shunted to the outfield that the team might have the benefit of his terrific clouting.

Last season he slammed out forty-three home runs for Salt Lake City and collected sixty-six doubles and thirteen triples.

He is still a youngster, although mention of his 1914 service with the Braves puts him in the vet class. He was but 18 then. He was grabbed from a high school team in Seattle by the Bravelets.

Willie Hoppe is still king of billiardists. The comparative ease with which he vanquished Welker Cochran in their recent balkline match indicates that.

Hoppe is one of that rare species in sport that has something besides marked ability. It's class—an intangible something that carries the possessor on when mere skill fails and when time seeks to aid his opponent.

Tris Speaker illustrates the point. For fifteen years he has faced all kinds of pitching and has pitted his fielding skill against an army of outfielders—including Ty Cobb. And still he defies time and the newcomers. He should be past his prime, yet he is still a star.

Rumors, Denials, Alibis

By F. A. GRAHAM

Get a good grip on yourselves, because here is some news that is liable to cause excruciating pains of sympathy for English boxing fans. There is a large rumor going 'round and about that boxing is dead in England. Which will not be news of startling proportions to some, as it has been sick for some time. The British public is said to be off of boxing until a champion worthy of their support is produced. The innocent trusting patrons of the squared cicrle have had their illusions all dented, and all because Joe Beckett got himself slapped to sleep by Georges Carpentier of France in a little less than nothing flat a few months ago. They thought Joey was a scrapper and now all their fun has been spoiled. Wasn't that careless of Joey? And was not that very inconsiderate of Carpy? It is to mourn, our grief is prostrating.

If the powers that be do not soon decide whether or not Charles Paddock is going to represent America at the Olympic games and quit juggling his name on and off the blacklist, the suspense is going to prove too much of a strain for some anxious reader, and the said anxious one may find the excitement too great for his weak heart. A lot of people will just naturally expire if Charles doesn't run. Or will they?

There is also a rumor that Glendale may get a major league club to entertain during the coming training season. Why not? All that was lacking up to the present time was a ball orchard, and now that has been provided. Paso Robles gets Pittsburgh of the National league this spring. If Paso Robles can put it over, why not Glendale?

Everybody has a preference for their pet sport. Some like baseball, some like soccer and some dote on croklnole. Now our idea of a sport that offers the absolute limit in palpitating, nerve-tingling, death-dealing suspense is a contest for the hot dog-eating championship. The one sad regret of our life is that we have never been able to gallop to one of these exciting affairs. The last one was held not long ago in the east. Joe Hume defeated Val Menges by devouring fifty-three pedigreed canine sandwiches at one sitting. Menges collapsed when the forty-fourth pup entered his gullet. Joe Hume is a delicate little thing of 250 pounds, and refuses to eat mustard on his barkers. Don't you adore him, girls?

SWIMMING CHAMP TO RESIDE HERE

Captain George Staigg Picks Glendale as Place to Establish Home

The latest name to be added to list of celebrities of the sport world who have made, or intend to make in the near future, their home in Glendale, is that of Captain George Staigg, one of the leading amateur swimmers of the United States, champion of the south and holder of several belts and cups for his prowess with the boxing gloves in the middleweight division.

Captain Staigg, a world-war veteran, came to California some two months ago and built a fine residence at 3927 Boyce avenue, just outside of the city limits or Los Angeles. So impressed has he been, however, with Glendale's opportunities, that he stated yesterday that his home is on the market, in fact, practically sold, and he will make Glendale his home and will enter business here. Just what line he will follow depends on the opportunities presented.

All-'Round Athlete

Until recently Captain Staigg was superintendent of life saving instruction for the American Red Cross, resigning this position when he moved to California. He is an exceptionally good all-around athlete but has specialized on swimming, and has appeared in most of the leading tanks in the country in amateur events. He has made several tours of the country teaching safety first stunts as well as swimming and diving technique.

"I am impressed so strongly with the advantages offered both in a residential and business way by Glendale that I am going to cast my lot with you," he said yesterday. "I will be one of the regular patrons of the pool at Patterson avenue park."

Captain Staigg's former residence was at Atlanta, Ga., where he maintained his headquarters in his Red Cross work.

GIANTS, REDS, IN PRE-SEASON WAR

Managers Strengthen Teams for 1924 Pennant Race With New Pitchers

By DAVIS J. WALSH
For International News Service.

NEW YORK, Jan. 8.—The duel of the dollar, between the New York Giants and the Cincinnati Reds, for a pre-season clutch on the National league pennant, will be continued by McGraw, by the purchase of two more minor league pitchers of more than ordinary repute. They will come from the American association and the Pacific Coast league, respectively, but their identity is withheld for no other reason than to prevent other clubs from entering the competition.

This is McGraw's reply to Pat Moran's dollar-waving campaign in the general direction of all minor league club owners, a campaign that has seen the Reds line up Tom Sheehan of St. Paul, said to be the best pitcher in the American association last season, and Jake May, the Vernon left hander, for whom the Yankees angled in vain.

Gets $50,000 Pitcher

Only a few days ago McGraw gave $50,000 and several ball players for Wayland Dean, Louisville pitcher. He not only desired Wayland very much, but really had his hand forced by the fact that the Reds were hot after him. With the best pitching staff in the National league—Luque, Rixey, Donahue and Benton—the Reds have added May, Sheehan and Carl Mays, former Yankee, and McGraw saw a vision of the 1924 pennant fluttering in Cincinnati unless he claimed Dean as his own.

Meantime the Pittsburgh Pirates, the third of three possible contenders, are doing nothing.

They seemed to have stepped aside in favor of the Giants and Reds as contenders for the 1924 pennant.

U. S. C. SQUAD IS DOUBTFUL BUNCH

Lack of Interest at Start Of Season Slowed Team Up Is Belief

LOS ANGELES, Jan. 8.— With the start of the new year Coach Les Turner is hoping for a greater amount of interest in basketball at the University of Southern California. Before the holidays the men who turned out for the team went at it rather half heartedly, and many were wavering between basketball, track and baseball. But now the men who are out for the team have made up their minds that basketball is their present line of activity, and with the first conference game with the University of California less than two weeks away the players are down at work in a final effort to make of themselves a formidable cage aggregation.

Potentially, Turner's first string quintet is stronger than it was a year ago, but he has not the reserves that he should have. The team is none too strong in the basket shooting department, but on the floor its work will rank favorably with either California or Stanford. If Turner had a man like Nip McHose of Stanford or Johnny Talt of California on whom he could depend to find the basket he would have as good a basketball team as any in the west.

Shooting Is Poor

Captain Gordon Campbell, until this year a guard, has been playing a fine game at forward but his basket eye has been poor. There is no better dribbler or passer on the coast than Campbell.

Cot Rice, the big guard from Seattle, has taken off twelve pounds and is now down to 190. If he can cut that down a few more pounds Turner expects him to pick up in speed, which, coupled with his natural ability, should make him a big figure in the Trojan attack and defense this year. Ben Gerpheide is playing an in and out game and if the conference games come on his "in" nights he will be a thorn in the side of California and Stanford.

Kenneth Boyer at forward is the most natural basket shot on the team, and with another week of practice before Turner takes his squad to Berkeley for the California games on January 18 and 19, Boyer ought to develop into a real star.

Hawkins and Dorsey are playing good games at guard positions.

BUILDING TOTALS NEARING $250,000

Million Dollar Figure For January to Be Goal Of City Boosters

Building permits for the year 1924 have passed the $200,000 mark, and every effort will be made to place January in the million dollar class to start off the new year.

WHY SUFFER WITH SOUR STOMACH?

Korrecto Will Help You

Just as many others have found that the surest and quickest way to relief of the troubles of the stomach and digestive organs is through taking that simple remedy KORRECTO, so you will find the same thing if you will but try a bottle.

Many, thankful for the blessing of relief which this remedy has bestowed upon them have written in to tell about it, and are spreading the glad news to all their friends who are sufferers from indigestion and its kindred unpleasantnesses.

One writer says: "I heartily and sincerely recommend KORRECTO to any one who has been suffering from painful attacks after meals or sour stomach and gas attacks that ofttimes come on at night." This writer is a prominent official in a Southern California city. Still another says, "You will always find me a 'booster' for KORRECTO to all whom I know who have real stomach trouble."

Take these writers' word for it, and step over to the nearest drug store, where you will find relief for indigestion in KORRECTO.

SHOW CHANGE IN TENNIS RATINGS

Official List Switches Many Players to New Places in 1923 Standings

NEW YORK, Jan. 8.—With the exception of William T. Tilden and William M. Johnston, who retain their respective places as Number 1 and Number 2, the national lawn tennis ranking lists for 1923 show a variety of changes. Vincent Richards was dropped from Number 3 to Number 4, changing places with R. Norris Williams, while Francis T. Hunter was elevated from Number 9 to Number 5, and Carl Fischer from Number 19 to Number 7.

Howard Kinsey, a steadily improving player, was rewarded by an advance from Number 8 to Number 6, and his brother, Robert, just made the "first ten" by being rated in the final position.

Helen Wills Leads

Miss Helen Wills, at 17, was placed at the top of the women's list, superseding Mrs. Mollie Mallory. Miss Eleanor Goss, Miss Lillian Scharman, a newcomer, Mrs. Helen G. Lockhorn, Miss Mayme McDonald, Miss Edith Sigourney, Miss Leslie Bancroft, Miss Martha Bayard and Miss Helen Hooker, who were honored with places in the order named.

Among the men, new faces appear in the first ten, B. I. C. Norton of South Africa and Harvey Snodgrass placed at Number 8 and Number 9 respectively. The changes meant that Manuel Alonzo of Spain, Wallace Johnson and Watson M. Washburn were dropped into the second ten, Alonzo being rated at Number 11, Johnson at Number 12 and Washburn at Number 15. Zenzo Shimidzu of Japan, ill during the season, was not rated.

Runaway Battleship Is Discovered at Sea

WASHINGTON, Jan. 8.—After tossing about in a choppy sea off the Virginia capes since Saturday, the old battleship Louisiana, which broke her moorings in a heavy gale, was discovered yesterday afternoon thirty miles off Norfolk, Va., by officers aboard the coast guard cutter Manning, according to a report to the treasury department.

A civilian crew of six men was aboard the Louisiana, which was being towed from Philadelphia to Baltimore to be scrapped under the terms of the Washington naval limitation treaty.

State Board Seeks Vocational Leader

SACRAMENTO, Jan. 8.—The State Board of Education at the opening of its quarterly meeting here today was occupied with considering the qualifications of candidates for the position of state commissioner of vocational education. Selection of the new commissioner will probably be made today or tomorrow, it was said.

E. P. Clarke, of Riverside, was elected president and Mrs. Elizabeth Phillips of Porterville, secretary of the board late yesterday.

CITY PRINTING

NOTICE OF SALE OF STREET RAILWAY FRANCHISE

Office of the City Clerk of the City of Glendale, California.
TO WHOM IT MAY CONCERN:

NOTICE IS HEREBY GIVEN that an application has been made to the Council of the City of Glendale for a certain franchise granting the right to construct, operate and maintain a single track electric street railway, together with the right to construct the necessary curves, turn-outs, switches, spur tracks, poles and equipment, for the purpose of transporting passengers, baggage, United States mail, freight, express matter, and such other commodities as can be conveniently handled by an electric railway over and along certain streets in the City of Glendale hereinafter described, for a period of twenty-five (25) years in accordance with the conditions set forth by the laws of the State of California, the charter of the City of Glendale, and all ordinances of the City of Glendale regulating the granting of franchises.

It is hereby proposed by said Council of the City of Glendale to offer for sale, and to grant to the highest bidder, the said franchise upon the terms and conditions herein contained. The said franchise is described as follows, to-wit:

A franchise to construct, operate and maintain a single track electric street railway, together with the right to construct the necessary curves, turn-outs, switches, spur tracks, poles and equipment for the purpose of transporting passengers, baggage, United States mail, freight, express matter, and such other commodities as can be conveniently handled by an electric railway over and along a line six and one-half (6½) feet easterly from and parallel to the center line of that certain tract of land described as follows:

A strip of land thirty feet wide, being that portion of the Teodoro Verdugo and Catalina Verdugo 2629.10 acre allotment in the portion of the Rancho San Rafael, as per District Court Case No. 1621, in the County of Los Angeles, State of California, bounded as follows:

Beginning at a point S 87 degrees, 57 minutes E 39.06 feet along the easterly prolongation of the southerly line of Lot 1, Block 38, of Selvas de Verdugo, Sheets 11 and 12, as shown on Map recorded in Book 54, pages 88 and 89 of Maps, Records of said County, from the southeast corner of said Lot 1, Block 38; thence N. 1 degree 24 minutes W 752.10 feet, along a line which is parallel with and thirty feet easterly from the easterly lines of Blocks 38, 37 and 36, of said Selvas de Verdugo to the beginning of a curve, concave to the east, and having a radius of 521.50 feet; thence northerly along said curve, which is tangent to the last mentioned course, a distance of 218.14 feet to the end of said curve; thence N. 22 deg. 34 min. E. tangent to said curve, a distance of 703.69 feet, to the beginning of a curve, concave to the west, and having a radius of 588.80 feet; thence northerly along said last mentioned curve, which is tangent to the last mentioned course, a distance of 135.64 feet, to a point of compound curve, a radial line at said last mentioned point bearing N 80 deg., 32 min., 56 sec. W; thence northerly along a curve, concave to the west, having a radius of 585.00 feet, and tangent to the last described curve, a distance of 29.96 feet to a point, a radial line from said last mentioned point bearing N. 83 deg., 29 min., 06 sec. W; thence N 89 deg., 04 min. E 30.24 feet to a point on a curve concave to the west, having a radius of 615.00 feet, the bearing of a radial line to said last mentioned curve, at said last mentioned point, being N. 83 deg., 50 min., 54 sec. W; thence southerly along said last mentioned curve, a distance of 35.42 feet to a point of compound curve, a radial line at said last mentioned point bearing N. 80 deg., 32 min., 56 sec. W; thence southerly along a curve, concave to the west, having a radius of 618.80 feet, and tangent to the last described curve, a distance of 141.66 feet to the end of said last mentioned curve; thence S 22 deg., 34 min. W, tangent to said last mentioned curve, a distance of 703.69 feet to the beginning of a curve, concave to the east, and having a radius of 491.50 feet; thence southerly along said last mentioned curve which is tangent to the last mentioned course, a distance of 205.59 feet to the end of said last mentioned curve, and being a point in a line which is parallel with and thirty feet westerly from the westerly lines of Blocks 34, 33 and 32 of the aforesaid Selvas de Verdugo; thence S 1 deg., 24 min. E along said last mentioned parallel line, which is tangent to the last described curve, a distance of 753.90 feet to the westerly prolongation of the southerly line of said Block 32; thence N 87 deg. 57 min. W 30.06 feet to the point of beginning,

for a term of twenty-five (25) years; provided that no spur track into private property shall be built within one thousand (1000) feet of any spur track already constructed under said franchise without first securing the proper consent of the Council of the City of Glendale.

The terms and conditions upon which said franchise will be offered for sale are the following:

That the railway to be constructed and operated under said franchise shall be used for the transportation of passengers, baggage, United States mail, freight, express matter, and such other commodities as can be conveniently handled by an electric railway; provided that cars other than closed ones, of a neat and attractive design, shall only be conveyed over said road between the hours of nine o'clock P. M. of each day and six o'clock A. M. of the following day; except hauling such material as is used in the construction and reconstruction of such railways.

That the said grantee of said franchise and its assigns, shall use good material in the construction of said road, and said road shall be built in a good and workmanlike manner, and that said grantee and its assigns shall, at its or their own cost and expense, oil and re-oil, pave or macadamize, the said road between the rails, between the tracks, and for two (2) feet on each side thereof, with the same material used by the City, and under the same specifications and in the same manner as upon the streets over which said roads are respectively, and shall keep the same constantly so paved or macadamized and in repair flush with said streets, and provided with suitable crossings, and shall make the roadbed conform at all times to the established grade of said streets; provided, however, that where any of the above named streets have been graded or otherwise improved prior to the granting of said franchise, said roadbed and rails shall conform to and be flush with the surface of said graded or otherwise improved street or streets, whether such surface be above or below the official grade of said street or streets, and on all other street or streets the said roadbed and rails shall conform to such official grade as aforesaid.

In case the said grantee and its assigns shall fail to comply with the instructions given for said repairs for ten days after service of notice thereof upon the superintendent or manager of said grantee, then the City Council of the City of Glendale may, with suitable assistance, enter upon said railway, or any portion thereof, and do the work and furnish the proper material, and keep an itemized account of the cost thereof, which said grantee and its assigns by the acceptance of this franchise agrees to pay immediately to the Treasurer of the City of Glendale upon the presentation of the account to the superintendent or manager of said railway.

Provided further, that cars shall be run over the road constructed under said franchise every day unless prevented by the elements, riots, strikes or unavoidable causes; provided, also, that cars shall be run over and upon said road at intervals of not more than one (1) hour from seven o'clock A. M. until ten (10) o'clock P. M. of each day, and as much oftener as may be necessary to properly accommodate all persons who apply for transportation over said road, except in times of extraordinary and unforeseen amounts of travel; and provided that the City Council may authorize a less number of trips if the amount of travel does not warrant the above number of trips; and provided further, that said grantee and its assigns shall have the right to excavate and remove portions of said streets necessary to properly construct said road, and to erect needful apparatus, boilers, engines and other appliances to properly equip and run said road; provided further, that the City of Glendale in granting said franchise expressly reserves the right to pave, macadamize, renew or sewer any of said streets, or to lay gas, water or other pipes therein, said work to be done so as to injure said road as little as possible.

It is further provided that said grantee and its assigns shall construct all necessary flumes and culverts for the free passage of water under the tracks of said railway whenever and wherever necessary, and that all of such flumes and culverts shall be constructed in accordance with the plans and specifications approved by the City Engineer and wherever required by said City of Glendale.

That the said grantee and its assigns shall and will, at all times upon and after the completion of said road, during the operation of the same, and without extra charge, issue and receive from passengers going in one direction, transfers good for one continuous passage over and upon any and every other line and lines or any other road or roads to any points within the said City, which said grantee and its assigns does now or may hereafter own, control, operate or have a controlling interest in; and provided, as a further condition, that said grantee, and its assigns, shall and will at all times as aforesaid issue or cause to be issued to said passengers without extra charge, a similar transfer from any and every line or lines which said grantee and its assigns does now or may hereafter own, control, operate or have a controlling interest in, within said City of Glendale, as aforesaid, to, over and upon the road operated and maintained under said franchise within the city limits of the City of Glendale; and provided further, that such transfers shall be given and received as above provided over and upon all such roads within the city limts of the City of Glendale, whether operated under a franchise granted by said City or over and upon private right of ways owned or occupied by said roads within the City limits of the City of Glendale.

That the rates of fare to be charged by the grantee shall not exceed the rates fixed by the Body, Board or Commission having authority to fix such rates.

The said grantee and its assigns shall carry free on said cars the Chief of Police and all regular police officers and firemen of said City, when on duty, and letter carriers, subject at all times to the rules of the road.

That the said grantee and its assigns shall, during the life of the said franchise, pay to the City of Glendale in lawful money of the United States, two per cent of the gross annual receipts of said grantee and its assigns, arising from the use, operation or possession of said franchise. No percentage shall be paid for the first five years succeeding the date of the franchise, but thereafter such percentage shall be payable annually, and said franchise is to be forfeited by a failure to make the payments provided for, and it shall be the duty of the grantee of said franchise and its assigns to file with the City Clerk of the City of Glendale at the expiration of six years from the date of granting said franchise, and at the expiration of each and every year thereafter, a statement verified by the oath of the said grantee, or its assigns, or by the oath of the manager or presiding officer of said grantee or its assigns, showing the total gross receipts and gross earnings collected or received by the said grantee or its assigns during the preceding twelve months, and within ten days after the time for filing such statement it shall be the duty of said grantee or its assigns to pay to the City Treasurer of said City of Glendale the aggregate sum of said percentage upon the gross annual receipts arising from the use, operation or possession of said franchise.

That all poles used in the construction and operation of said electric road shall be placed within the curb line of the streets designated as officially established by the City Council of the City of Glendale, and the outer edge of the poles shall in all cases be set as near the inner edge of the curb as practicable, when not otherwise directed by said City Council, and the wires suspended from said poles shall not at any point be less than twenty-two (22) feet above the top of the rail. All poles shall be of tubular steel or of suitable wood, of a size and kind such as are ordinarily used for similar purposes in the State of California, and shall at all times be kept free from rust and painted in a uniform color; that wherever said railway is double tracked, then the tracks shall be placed thirteen (13) feet from the center line to center line, and in case of a single track shall be located along a line six and one-half (6½) feet easterly from and parallel to the center line of the above described strip of land.

That any neglect, failure or refusal to comply with any of the conditions of said franchise, after thirty days' notice given by the City Council of the City of Glendale, shall thereupon immediately ipso facto effect a forfeiture thereof, and the said City, by its City Council, may thereupon declare said franchise forfeited, and may exclude said grantee or its assigns from further use of the streets of said City under said franchise, and said grantee or its assigns shall thereupon and immediately surrender all rights in and to the same, and the said franchise shall be deemed and shall remain null, void and of no effect.

NOTICE IS ALSO HEREBY GIVEN that sealed bids in writing will be received for said franchise by the City Clerk of said City of Glendale up to 10 o'clock A. M. on the 31st day of January, 1924. At the day and hour last mentioned, the City Clerk will, in open session, examine and publicly declare the same, and each bid shall be accompanied by a cash deposit of the amount of the bid, or a certified check for said amount, payable to the City Treasurer of the City of Glendale, certified to by some responsible bank as a guarantee of good faith by the bidder; provided, however, that if, in the judgment of the City Council, no adequate or responsible bid has been made, the City Council may withdraw said franchise from sale or advertise for new bids. That at the time for opening said bids, any responsible person, firm or corporation, present or represented, may bid for such franchise a sum not less than ten per cent above the highest sealed bid therefor, and that said bid so made may be raised not less than ten per cent by any other responsible bidder, and such bidding may thereafter continue until finally said franchise shall be struck off, sold and awarded by said City Council to the highest bidder therefor who must, before such award is made, deposit with the Clerk at least ten per cent of the amount of his bid. Upon the franchise being awarded, all deposits made by unsuccessful bidders shall be returned.

NOTICE IS ALSO HEREBY GIVEN that the grantee of such franchise must, within five (5) days after the awarding of such franchise, file with the City Clerk of said City a bond running to the said City in the penal sum of One Thousand Dollars ($1,000.00), with at least two good and sufficient sureties, or a bond in said amount

CITY PRINTING

furnished by a responsible surety company to be approved by the City Council, conditioned that such bidder shall well and truly observe, fulfil and perform each and every term and condition of said franchise, and that in case of any breach of the conditions of such bond the whole amount of the penal sum therein named shall be taken and deemed to be liquidated damages, and shall be recoverable from the principal and sureties upon such bond. If such bond is not so filed, the award of said franchise shall be set aside, and in the discretion of the said City Council the said franchise may be re-advertised, and again offered for sale in the same manner and under the same restrictions as hereinabove provided, and the amount deposited by such bidder with his bid shall be forfeited to the City as liquidated damages. The City Council hereby expressly reserves the right to reject any or all bids for said franchise.

EAGLE ROCK

HEALTH OFFICER TO ADDRESS CLUB

Horticultural Expert Will Speak on Methods of Beautifying City

The next Twentieth Century club luncheon will be held Thursday, January 10, when Dr. L. M. Powers, health commissioner for Los Angeles county, will speak.

Another prominent speaker will be John M. Gregg, prominent in horticulture circles, whose remarks will be on the subject "Beautifying a City."

There will be music in charge of Mr. and Mrs. Vandegrift.

The New Year's eve dinner dance at the women's club has been voted a splendid affair and one of the most vivid spots in the club's history. Mrs. A. G. Reily, president, deserves great credit for the way she arranged everything so that there was not one hitch to mar a perfect night.

A confetti battle was one of the features, but perhaps the outstanding event was the turkey dinner.

Conrad Buff Honored

Elizabeth Bingham, in the Los Angeles Saturday Night of December 22, highly praises Conrad Buff's exhibit of fifteen paintings at the Exposition park museum, stating:

"Conrad Buff's new pictures leave no doubt as to his qualifications as a painter of murals and demonstrate that his development is a conscious and serious progress in a chosen field. He breaks his surfaces into small atoms of color which retain their relativity as more or less light fall upon them or as the spectator approaches or recedes from the canvas. His simplified design is constructed in the spirit of nature and although arbitrary and lacking in diluting detail is never abstract. He uses his special relations with a sureness of balance and expresses the intensity of the emotion with a reserve which brings it almost to white heat. There is so much thoughtful research and intelligent application of method that this reserve in the expression of feeling might pass for coldness.

An article in praise of Mr. Buff's work also appeared in Antony Anderson's column of the Los Angeles Times, December 16. Conrad Buff, a resident of Eagle Rock.

Miss Blackmer Entertains

A large gathering of University of California friends were entertained by Miss Frances Blackmer, daughter of Mr. and Mrs. R. C. Blackmer, at their home on Yosemite drive last Friday night, among them: Misses Claire McCarthy, Myra McCarthy, of Portland, Ore.; Miss Edith McGill from Des Moines, Iowa; Miss Carol Lasater of Oklahoma City, now a student at Leland Stanford University; Beatrice Carver, Dorothy King, Helen Loskamj, Eleanor Wagoner, Thora Slad, Julia Alice Cosby, Ina Bjorgo, and Mrs. Ray Soash, Mrs. Alvin Loskamp, and Miss Margaret Halcomb; Messrs. Harris, Tilden, Kennedy, Cameron Barby, Charlie Leskamp, Ensign Don Weller, Ensign Earl Jenkins, Dan White, Alvin Loskamp, F. J. Ubel, Harold Bjorgo, Ross Long, Francis Lang and Paul Murphy.

NEW METHOD HEALS RUPTURE

Kansas City Doctor's Discovery Makes Truss or Operation Unnecessary.

Kansas City, Mo.—(Special).—A new discovery which, experts agree, has no equal for curative effects in all rupture cases, is the latest accomplishment of Dr. Andrews, the well known Hernia specialist of this city. The extraordinary success of this new method proves that it holds and heals a rupture. It weighs only a few ounces. Has no hard gouging pads, no elastic belt, no leg straps, no steel bands, and is as comfortable as a light garment. It has enabled hundreds of persons to throw away trusses and declare their rupture absolutely healed. Many of these had serious double ruptures, from which they had suffered for years. It is Dr. Andrews' ambition to have every ruptured person enjoy the quick relief, comfort and healing power of his discovery, and he will send it on free trial to any reader of the News who writes him at his office, 5971 Koch Bldg., Kansas City, Mo. He wants one person in each neighborhood to whom he can refer. If you wish to be rid of rupture for good, without an operation, take advantage of the doctor's free offer. Write him today.—Advertisement.

Sewer Bond Vote Today
Praise For Public Spirit
Cold Weather In East
What California Needs

By Gil A. Cowan

The sewer bond election is occupying the minds of the people of Glendale today. There is every evidence that the campaign of public spirited citizens to give this city a sanitary system will be successful, but if you read this comment before 7 p. m. and have not exercised your opportunity to vote, please do so.

VOTE FOR THE SEWER BONDS and INSURE PROSPERITY.

It is the humble wish of the writer that the work of the Chamber of Commerce, the Glendale Realty board and all other organizations succeeds today. They have made a fight worthy of victory. The interest, the intelligence, the loyalty given Glendale by these men and women banded together in a common cause is a magnificent display of public spirit.

Columns could be written on the subject of public spirit. Indeed, the history of Glendale's progress and prosperity would shine with the sacrifice of its residents in their efforts to make this a better and bigger city.

Few other than the publicist, the newspaperman, if you please, know just what limits "John Doe" Citizen goes in gifts of time and effort to civic projects. As we look back on eleven years in and out of Glendale, it is a pleasure to see the people who, without profit, pomp or pelf, went to the mat with civic problems—and won.

The daily record of events gives no hint of the labor of love which many perform here, yet to their everlasting credit they are that type which never gives up. Some petulant person may knock down the little house of blocks in this work-a-day world, but it is rebuilt. The destroyers never win, the builders always.

In Glendale's past, which is within recollection, those who have held faith have won. Those who have been true to their city are worthy of the rewards which they reap.

It would be possible to tell the story of many able citizens which would reflect credit on their foresight and vision, as well as their sacrifice. Likewise, there are a few whose stories would be devoid of any such credit. Thank heaven Glendale has but few and of that minority may it not be said they are misguided, rather than vicious. Here's hoping for their salvation!

Real sorrow may be expressed by adopted Californians for their brethren in the colder climes at this season of the year. The middle west, the east and the southeast of this North American continent have been suffering seriously from a cold wave which was marked by death when the thermometer dropped way below the zero mark.

Really, we hardly enjoy ourselves here in this land of sunshine and flowers until we get the news from "back home" telling of people freezing in the streets, coal and food at a premium and communications severed by the wintry storms.

No wonder the rest of the world is envious of our comfort; no wonder, the influx of population reaches 10,000 a day. Were one to know of California—and able to live here—the answer would be plain in Illinois or Indiana or Wisconsin this week.

"California or bust" would be the slogan, you bet.

However, if California is to provide homes and industry for all these people who eventually will live here, there needs must be a rejuvenation of our financing. Not only that, but we who are here must plan for bigger and better things than ever dreamed before.

California bankers, particularly those in the southland, need an awakening, or some of these mornings they will find more wealthy easterners have taken over the job of providing the people with most necessary and deserved money.

California captains of industry, also, will find others entering the field with branches which will be many times larger than the original plants in the east.

California real estate men and merchants already have felt this rather peculiar sensation of being "crowded." The city builders are, in the main, newcomers. The business men have come from Kansas, Illinois, Nebraska and elsewhere. They in turn will be crowded out unless they keep the pace.

Perhaps this naive suggestion might be worthy of consideration:

If we could pack our bankers and manufacturers and other business men on a train next summer and send them east for a season, they would get a new perspective. Also, they might accumulate a capacity for more work while on vacation.

What think you?

Highest point on a new railway being built in Africa coincides with the crossing of the Equator and the grass along its sides in this, the very heart of the tropics, is often covered by frost.

LAUNCH PLAN TO BUILD BOYS' HOME

First Units to Be Erected At Cost of $56,000 By Board of Education

The first units of the great $500,000 McKinley Industrial Home on Woodman avenue, Van Nuys, to be erected by the city of Los Angeles, are to go up at once, and plans are being prepared by Lyman Farwell for the board of education, while work of leveling a portion of the 220-acre tract is under way.

The initial construction, to cost $56,000, will include four dormitories, two stories high, and providing quarters for 144 boys, and, in addition, an eight-room brick school building. These units, including in their cost the fund subscribed to the McKinley home in the recent campaign conducted by the Los Angeles Kiwanis club, are the first of twenty-five which will ultimately be constructed on this site.

The comprehensive general plans call for construction of baseball grounds and the planting of oak and eucalyptus groves throughout the grounds, with many winding drives and pathways.

Action On Flood Control

Steps have been taken to confine Pacoima storm waters, and thus check the destructive floods that have on frequent occasions swept down into the valley, the Los Angeles City Council being much interested in the report of the special committee appointed to investigate the matter.

The report includes a recommendation that the city proceed with plans for depression of Kestre and Tyrone avenues, the statement being made that, after considering various plans, this one seemed the most feasible.

It was brought out that close to $300,000 allotted by the board of supervisors for flood control would be available for depressing these two streets and constructing control gates at the head of each. This sum would be augmented by revenues from an assessment district, defined by an assessment board, it was brought out.

It is proposed to lower each of these two streets two and one-half feet in the center, and to construct high curbs at the sides, the work to be financed under the Vrooman act.

The Los Angeles City Council will have an ordinance, covering this matter, ready for adoption within thirty days, it is believed.

Dam for Lankershim Water

A $1,100,000 construction program is involved in the Weid canyon dam project, in the Cahuenga hills, designed to supply Lankershim and other parts of the San Fernando valley with impounded storm water.

The dam is to be 200 feet in height and, when completed, next summer, will hold 7300 acre feet of water, submerging approximately 190 acres.

William Mulholland, famous Los Angeles municipal engineer, who is supervising construction of this dam, states that water will be turned into the lower level by February 1, 1924, coming via aqueduct from the Owens river.

BURBANK

DEVELOPMENT OF ESTATE PLANNED

Gustav Rasmus Starts Work To Beautify 2 1-2 Acre Foothill Site

A $100,000 estate is to be developed by Gustav Rasmus on the two and one-half acre tract he recently bought from Mr. and Mrs. Walter C. Fisher. The property is located on and above Sherlock drive, running up into the hillslopes, just east of Alameda avenue and directly above the Pep Chemical company plant, of which Mr. Rasmus is president.

A tractor is now on the property and Mr. Rasmus states that when he has the contours re-arranged somewhat, he will start construction of a large home on one of the knolls overlooking the city. In a little canyon on the grounds he plans to have a sixty-foot waterfall, plunging into two lakes, one for goldfish and one for trout. A concrete dam will impound the storm waters, for this purpose.

Underground grottoes, groves of eucalyptus trees, many and beautiful winding drives and other features will be included in the mammoth developments Mr. Rasmus contemplates. When completed, the place will be one of the finest estates in Southern California.

With Frank Keene, international organizer, in the role of master of ceremonies, and President Bert Lewis presiding, the Burbank Kiwanis club elected officers for 1924 at their meeting held last Friday night in the Palais Majestic.

The following results are announced: W. H. Coffman, president; Chas. B. Fischer, vice-president; Chas. W. Anderson, second vice-president; C. A. Thompson, treasurer; B. E. Loper, sergeant-at-arms; L. B. Davidson, song leader; Ezra Christensen, J. C. Isbell, Russell B. Mullen, Frank Atwood, R. O. Church, E. J. Jackson and Frank Tillson, directors; Bert Lewis as district trustee.

The new directors unanimously re-elected Ted Covell secretary: Bert Lewis, retiring president, was presented with a beautiful silver wine set, as a gift from the club, having previously had the privilege of contributing to this under guise of buying a stove for a "poor widow."

Mr. Coffman has named the following committees for the year:

Finance—R. O. Church.
Entertainment—B. E. Loper.
Program—Ezra Christensen.
Public Affairs—Russell B. Mullen.
Inter-City Relations—H. W. Lewis.

$7,000.00

This is a $10,000 value, of six rooms, including 3 bedrooms; located a few feet from N. Brand Blvd., on a beautiful residential street. The lot is worth $4000, and the house couldn't be built for $6000. This is a genuine sacrifice. Business takes the owner away and a forced sale is necessary. Here is the opportunity you have been waiting for.
Will sell furniture for $500.

LA CRESCENTA

CHURCH ACTIVITY IS ENCOURAGING

Growth of Congregations In La Crescenta Shown In Greater Audiences

It is very gratifying to the different pastors of this community to find the majority of home makers are desirious of forming church affiliations. The congregations of all churches are enlarging with every service, as are the Sunday school enrollments.

The members of "St. Luke of the Mountains" are delighted with the ready response their invitation to all residents of the valley to attend church services has met with.

Yesterday Dr. Renison of Eagle Rock administered Holy Communion to a large number of communicants.

Mrs. G. MacDonald has graciously consented to train the young people's choir which is being organized. Mrs. MacDonald, who has lately moved here from Reno, Nev., has had a lifetime's experience in the Episcopal church work as organist, and is thoroughly conversant with her work as choir master. Gregg Hoskins is treasurer of the Sunday school with Deaconess Greebe at the helm.

Dr. Renison is well pleased with the progress the fund for the new church is making and it is to be hoped it will be but a short time till the foundation may be laid.

Twenty New Members

The Community church of La Crescenta added twenty new members to its roll on Sunday morning. Thirty new Sunday school pupils were enrolled, which is most encouraging to the pastor, Dr. Kelso. Rev. J. Hoffman preached a most impressive sermon on "Resolutions." Communion was administered by Dr. McLothlin.

There is also a most enthusiastic response to the Wednesday evening Community Song service, the musical part of which is led by George Rapson. Dr. Kelso is expecting to attend the Presbytery of Los Angeles on Tuesday. This meeting will be held in the Japanese Mission church in the city.

Allan McDaniels and Mrs. C. Angier, who have charge of the vocal and instrumental part of the church work, are giving most efficient service, and the choir is doing splendid work under their joint leadership.

On Saturday afternoon of this week the ladies of the church will conduct a cooked food sale at Bowlus' grocery.

On Friday evening the Girl Scouts will hold their first meeting in the La Crescenta school auditorium. Under the leadership of Mrs. Jessie Hansen the troop has grown too large to hold their meetings in private homes as has been the practice. The school board has consented to the free use of the auditorium, as they feel the Girl Scouts is an organization for civic betterment. It is with the understanding, however, that should any other body desire to rent the room on any Friday evening, the Scouts will either hold their meeting earlier or transfer to another night.

Library Report

The library report for the past month in the La Crescenta branch of the Los Angeles County Free library is as follows: Adult fiction loaned, 212; juvenile, 160; non-fiction, 73; magazines, 78; making in all a total of 523 books loaned.

A new ruling at the local school is, that any money found on the school grounds, and unclaimed by a set time, will be deposited in the Athletic Club fund.

A new daughter arrived at the home of Mr. and Mrs. C. Hicks of Sparr Heights, where Mr. Hicks has charge of the improvement work. Mother and daughter are doing well, according to reports

Members of the Woman's club are reminded of the fact that Wednesday of this week is Home Economics day. Each member is asked to bring a demonstrated sample of her favorite recipe and the receipt, which will be sold the proceeds to go to the building fund. A treat is in store for the members as Mrs. Evelyn Pierce of Glendale will give some of her clever readings. Mrs. Wittler of Los Angeles is preparing some dainties to be served at tea.

CHRIST'S COMING NEAR, IS CLAIM

Adventist Pastor Relates His Experiences on South American Travels

Elder O. Montgomery, vice-president of the General Conference of Seventh-day Adventists for North America, spoke to a large audience in the Glendale Seventh-day Adventist church, January 5. His first few remarks were New Year's greetings to all. "It seems to me that it would not be out of place this morning to take just a brief glance into the future of the New Year. . . . We are very rapidly coming to the time of the consummation of the hope of God's people—the coming of Jesus," said Elder Montgomery.

Many interesting experiences were related of his travels in South America along the Amazon and Ucayli rivers, and his visits to the tribes who live in the jungles.

The topic was changed to the future and our relationship to the Lord Jesus. "We cannot be ready for the coming of Jesus unless we be separated from sin," said Elder Montgomery. "What is sin? Sin is the transgression of the law. However, that isn't the only definition of sin. Sin is a fruit of something. Of what? It is a fruit of a nature. Of what nature? The carnal nature.

Must Die to Sin

He further said, "If we are ever ready to meet Jesus it is because we have entered into that experience of the Son of God and hung on Calvary's cross and died to sin. He didn't die one-half or two-thirds or three-fourths. He actually died, and that death preceded the wonderful life that was seen in the resurrection morning."

The following statement was read by Elder Montgomery: "The life of Christ's disciples is to be like His, a series of uninterrupted victories. The Christian life is not something added to the old life. Paul says 'For me to live is Christ.' We receive it in just the same way that we receive forgiveness of our sins. It is by faith. Let us accept Him today in all His fullness. May God bless us and help us to live true to Him."

Wonderous Glendale

Two score and twelve years of this life,
Is your allotted span
To live upon this earth of ours,
So, enjoy it while you can.

The old, the young, the black, the white,
The cultured and the savage;
When all have passed beyond the vale
This is the final average.

The place wherein you choose to live,
Is of yourself's own choosing;
But why live in a place in which
The joys of life you're losing?

In this whole world, if you should look,
Your search, I'm sure would fail.
To find the wonders you will find
In beautiful Glendale.

On lovely hills the homes are built,
And on the verdant slopes;
And in these homes the happy live
And realize their hopes.

A half a hundred thousand strong
Is Glendale's population;
Each one a booster for the town,
A noble aggregation.

Seven times a hundred in seven years
This is our growth per cent;
With such small figures, after this
We will not be content.

Two hundred thousand in ten years,
And not one person fewer.
Why! what's to stop our growth to that
When we have laid that sewer?

Ten million dollars we have spent
In one short year of growth.
Authentic figures; yes, they are,
I'll give them under oath.

To this will add this coming year
At least six million more;
Then watch our smoke, and take our dust
In nineteen twenty-four.

But, come, ye all, and live with us
And join the cheerful throng,
Just buy a lot and build a house,
And help the growth along.

DIRECTORS WILL ELECT OFFICERS

Oakmont Country Club to Plan For Opening in Near Future

The newly elected board of directors of the Oakmont Country club will meet at 8 o'clock tonight in the Glendale State bank, 109 East Broadway, to elect officers for the year. This board, brought into office at the election of January 5, comprises A. R. Eastman, A. L. Baird, Roy L. Kent, Godfrey Edwards, Harry E. Hall, Francis J. W. Henry, Dr. T. C. Young and W. W. Worley.

It is also expected that at tonight's meeting plans will be instituted for the formal opening of the clubhouse on or about February 15. At a meeting held the night of January 5 it was brought out that the building will be completed by January 15, and orders were placed at that time for furnishings, linen, dishes and silver.

Work on Golf Course

The work on the golf course is reported by H. M. Parker, general manager, to be progressing in a very satisfactory manner and it is expected the same may be used shortly after the club opens. At the present time 460 members have been enrolled out of a total of 750 memberships allowed under the laws of the state of California, leaving less than 300 needed to fill the lists.

A steward has been engaged, in the person of Harry Y. Ellison of the exclusive Wentworth Hall, Jacksonville, Vt., Mr. Parker reports, and is now on the premises, assisting in preparations for the opening. In order that members may co-operate with the directorate and management of the Oakmont Country club in speeding things along, Mr. Parker offers the following three suggestions:

"First—If your membership is not paid for in full, please make an especial effort to pay the balance in the very near future.

"Second—If you have given your note for a portion of the price of membership, it would be a great help if you would arrange to pay same in part or in full immediately.

"Third—We need about 300 more members to complete the membership list and if each of our present members would assist in securing one new member we would be over-subscribed. Will you plan to do your bit on this program by proposing one new member?"

UNION PACIFIC'S PLANS UNDER WAY

Railroad Company Displays Faith In Glendale By Big Improvements

Real 100 per cent Glendale spirit is being expressed by the Union Pacific railroad in the improvements and extensions of its activities in Glendale. C. A. Redmond, local agent, is kept busy these days supervising the finishing and furnishing of the main office at 129 South Brand boulevard and in sharing in carrying out plans for the new station and improvements of the right of way on Glendale avenue.

Indicative of the faith of the Union Pacific officials in Glendale as "The Fastest Growing City in America" is the fact that $150,000 is being spent on the tracks and station on Glendale avenue and $1500 on the office down town.

Loyal to Glendale

The new depot alone is costing $35,000 and one of the features of the improvements of the right of way is the clearing of Glendale avenue of all industrial tracks. During past years there has been a spur track on the avenue, serving the industrial plants in the northeast part of the city. Work is now under way whereby this industrial track will run down an alley parallel with the Glendale avenue main track. Running from the main industrial track will be feeding tracks to the various plants.

Further loyalty to Glendale is seen in the purchase of the finishing and furnishings of the Brand boulevard office, for Mr. Redmond has made purchases from Glendale firms only.

"It's a 100 per cent Glendale institution," says Mr. Redmond, "and the only appreciation we want from Glendalians is for them to accept our service at home instead of going to Los Angeles when they are anticipating taking trips."

House Hunters Are Helped by Realtor

Mrs. Stella Goodman, realtor, reports the following changes made by residents and newcomers through her agency.

George Holmes of the Glendale post office staff has moved from Long Beach and has located in a comfortable home at 409 West Salem street, owned by Mrs. Frey.

G. Parker and family have moved from 719 North Central avenue to a commodious bungalow they have leased at 341 West Broadway.

Robert Reynolds and family, who have been making their home at 800 North Brand boulevard, have leased the two story home at 719 North Central avenue and have moved.

Instead of hinges for doors, ancient Pompeiians used bronze key pieces with sockets.

SPIRITUAL NEED OF WORLD TOLD

Persistent Prayer Essential To Securing Answer to Petitions Claim

A large audience was present at the First Methodist Episcopal church Sunday morning to listen to an evangelistic sermon by the pastor, Dr. H. I. Rasmus. The topic was "A Singular Prayer and Its Results."

"My subject this morning," said Dr. Rasmus, "is a fundamental one, and intensely interesting. Some one has asked me, lately, in view of the existing differences of belief in different parts of the country, if I am a Fundamentalist or a Modernist. My answer is that I am a Progressive Fundamentalist and a Conservative Modernist. And I endeavor to preach the Gospel as both ought to. My text this morning is found in First Kings, eighteenth chapter, forty-second verse: 'So Ahab went up to eat and to drink, and Elijah went up to the top of Carmel, and he cast himself down upon the earth, and put his face between his knees.'

"The time of this incident was a time of terrific drouth upon the land. Both cattle and people were suffering and at the point of perishing.

"On the throne was a king who, with his evil wife, plotted the prophet Elijah's death. Elijah, the Tishbite. Just these three words is all we read concerning his introduction. Strangely came he into human history, and strangely went he out, leaving a light and glory behind. As the governor of the king's house went in search of water, he met Elijah, who said: 'Go tell thy lord, behold, Elijah is here.' This was a reversal of custom. But Elijah was a son of liberty, a child of freedom, and a prophet of Almighty God. The word was sent, and the king came. And a meeting was held.

Ahab's Question

"Then it was that Ahab greeted Elijah with these words: 'Art thou he that troubleth Israel?' And Elijah answered: 'I have not troubled Israel, but thou and thy father's house, in that ye have forsaken the commandments of the Lord, and thou hast followed Baalam.' Thereupon Elijah challenged the false prophets to a test of power between their gods and the true God, resulting in a clean-cut, decisive victory for Elijah's God and the destruction of over 400 false prophets at the hands of an outraged people.

"Next Elijah turns his attention to the needs of the people. The necessity of rain. So, while Ahab, the king, goes to eat and drink, Elijah went up to the top of Carmel. He casts himself down upon the earth and puts his face between his knees. And he prays fervently for rain. He sends his servant to look toward the sea. He returns and says, 'There is nothing.' Again he prays. Not only two times, but seven times, and then the servant reports, 'Behold, there ariseth a little cloud out of the sea like a man's hand.' Then Elijah arose and sent word to Ahab to prepare for the rain. And there was a great rain.

Spiritual Famine

"But, some one says, that was a phenomenon occurring over 3000 years ago. What significance to us this morning? Here is its significance to us: There is a famine in our land worse than that in Israel, a spiritual famine. The world is in dire need. How shall it be relieved. If you will go to the summit of payer, heaven's doors shall open. Then shall be showers of blessing. Christ humbled himself and took the form of a servant. So we can well afford to humble ourselves. Persistent prayer is essential. Occasional prayer is not sufficient. Continued prayer was the secret of our fathers' success.

"Be interested in the salvation of your business friends. Elijah prayed a confident prayer. He prayed for rain and expected it. Do you believe that promise, 'Ask and ye shall receive; seek and ye shall find; knock and it shall be opened to you'? If you do not there is little use of your prayers. Elijah's prayer was for rain, and there was rain. When will the spiritual rains come? When we pray persistently and definitely. There is great need of it. Danger is imminent. Iniquity at work. Are we ashamed of the Gospel, of the effots employed to save men, of the history and traditions of our church?

High School Radio Concert Postponed

"The best laid plans of men and mice do fail," said somebody at some time. And the quotation has come to rest this time upon the Glendale Union High school radio program, which was to have been wafted into the air on the night of the 22nd. Mrs. Florence A. Parker, teacher of the glee clubs at the school, was found guilty of having a Madrigal club concert the same evening, which little event forced the postponement of the radio selections. The concert will be given some time in February, however, announces Mrs. Dora L. Gibson, who has charge of the affair.

Eastern Financier Is Glendale Visitor

T. J. Anderson, prominent among financiers in Superior, Wisconsin, and Minneapolis, Minnesota, spent from Friday till Monday in Glendale with the P. A. Wells family of 339 West Harvard street, and the E. B. Daveys, at 1945 Vassar street. They were all old friends in the east.

Mr. Anderson is the father-in-law of Hendrik Shipstedt, United States senator from Minnesota.

EXPERT TO PASS VERDICT ON CATS

English Judge Will Decide Merits of Entries In Glendale's Show

Added interest to plans for the annual show of the Glendale Cat club, January 16 and 17, in the Hahn auditorium at 109 North Brand boulevard, is a telegram from Miss Ethel R. B. Champion of England, international cat judge, that she is now en route to Glendale and will arrive next Monday afternoon.

This telegram was read last night at the club meeting at the L. B. Grosbeck home at 443 West Colorado street.

Another feature of the meeting was the announcement that the Glendale Humane society is to offer a fine cup for the most popular cat in the show. Choice will be made by voting.

Officers of the club were busy today closing entries, which number over 200.

Many individual trophy cups have been offered and the show is destined to be a record making one.

Intermediate School Faculty In Session

The second of a series of joint meetings was held yesterday afternoon at Glendale avenue school by the faculties of the two intermediate schools. Principal Norman R. Whytock presided and opened the discussion with a short talk on the "Seven cardinal points in education." Mrs. Malcolm McLaren of Wilson school spoke on spelling; Chas E. Merrill of Wilson avenue gave an outline for Evaluating class room procedure; Miss Annie F. Johnson of Wilson school spoke of the project method in geography; Miss Gladys Sharpe of Glendale avenue, social science; Superintendent R. D. White addressed the meeting on general subjects.

A visiting hour preceded the meeting, and light refreshments were served by the teachers of Glendale avenue school.

Open to Everyone--Everywhere

Cartoonist Gale of THE TIMES staff has drawn this amusing picture without a title. Can you think of a good title to fit it?—something funny or clever, perhaps some well known quotation, of 12 words or less. THE TIMES will pay $500 for the best title accompanied by a 3-months' paid-in-advance subscription, or $40 for the best title submitted without a subscription. 98 other cash prizes. Contest closes January 19.

Here are Some Sample Titles:

"LEFT FLAT"
"SHE SHOOK THE CAN AND IT WAS EMPTY"
"LOST IN TRANSIT"
"THERE'S NO TEACHER LIKE EXPERIENCE"

See if you can think of a better one! Put your sense of humor to work. Submit as many as five different titles, if you wish. As soon as you have filled the convenient coupon on the right, send it in. YOURS may be one of the WINNING titles!

OBSERVE THESE RULES:

1. The prizes will be awarded in two classes for titles which most cleverly and briefly describe the picture. Class A is open to all. It is not necessary to subscribe to The Times to enter titles in this class. Class B is open to those who send in one new or renewal paid in advance subscription to The Los Angeles Daily and Sunday Times, for 3 months.

2. Participants may send in just one title or any number up to five. They may be original, or quotations from some well known author, and must not exceed twelve words each. Write all titles on Coupon published in The Times, or on one sheet of paper, with name and address of sender.

3. If more than one title is submitted, only one title (the best) may receive a prize. Participants may co-operate in submitting titles, but only one prize will be awarded to any one household or group who have worked together.

4. In the event of a tie for any prize, the full amount of the prize will be given each tied participant.

5. The Times Picture Title Contest is open to everybody, regardless of residence, except employees of The Los Angeles Times and their families.

6. Titles must be mailed (show postmark not later than 5 p.m. January 19, 1924, or delivered in the Contest Box, located on the first floor, main office of The Times Building, First and Broadway, Los Angeles, Cal., by that hour.

7. Titles submitted in Class A may be transferred to Class B by qualifying with a subscription not later than 5 p.m., Jan. 26, 1924.

8. Titles will be judged by three well known persons of Los Angeles, to be announced later, and their decision will be final. The judges will meet on Jan. 28, and announcement of the prize winners will be published in The Times and checks mailed as soon thereafter as possible.

9. All titles, subscription payments and inquiries must be addressed to Picture Title Contest Manager, The Los Angeles Times, Los Angeles, Cal.

THEATRES

THE GLENDALE

Buster Keaton's new feature comedy, "Our Hospitality," showing at the Glendale Theatre for the last times today, is built on the humorous side of American life in the early 1830's. A boy and girl love story and a Kentucky feud furnish the romance and drama, with Buster playing a fashionable youth of the pioneer days.

Buster makes screen love for the first time to his wife, Natalie Talmadge Keaton. Other members of the family appearing are Baby Joe (Buster II) and Buster's father, Joseph Keaton. Non-family players include Joe Roberts, Kitty Bradbury, Jean Dumas, Ralph Bushman, Craig Ward and Jack Duffy. Buster Keaton and Jack Blystone directed, with Elgin Lessley and Gordon Jennings as cameraman, and Fred Gabouri as art director. It is a Joseph M. Schenck presentation.

THE GATEWAY

Richard Dix, Lois Wilson and Marjorie Daw are featured players in the new Zane Grey Paramount production, "The Call of the Canyon," showing at the Gateway Theatre for the last times today.

"The Call of the Canyon" is a thrilling picture of the west. Among the many big scenes are the fight between Glenn Kilbourne, played by Mr. Dix, and Haze Ruff when the latter insults Lois Wilson, who is cast as Carley Burch; Carley, lost in a sand storm in the Arizona desert and the marathon dancing contest in the fashionable New York home of the Morrisons. There is a happy blending of thrills, pathos and humor throughout the action.

NEWCOMERS POUR INTO CITY DAILY

Difficulty of Keeping Tab on Arrivals Is Problem of Civic Agencies

By GIL A. COWAN
Of The Evening News Staff.

Overlooked—our quota of new arrivals today! True, a few names of those coming to Glendale find their way into the personal columns of The Glendale Evening News, but for the most part the task of keeping tab on each and every one of two score or more families moving into homes here is a trifle tremendous.

Really, we don't believe the Chamber of Commerce, with due apologies to Secretary E. F. Sanders and his efficient staff, extends the glad greeting to all of these folks. And certainly Frank Pilling, secretary of the Glendale Merchants' association, can't keep up with them all in a creditable manner, although it is not his fault, we'd say.

Likewise, our churches, societies and other spiritual, material, social and civic life is quite flabbergasted while about the only institutions which cannot say the nay to the crowds are our schools. Superintendent Richardson D. White of the city system and Principal George U. Moyse of Glendale Union High school have long since tired of personal acquaintances with the flood. We doubt if the school children even know 'em by sight, although that seems improbable.

Crowds Are Assimilated

Somehow or other this flood of humanity is assimilated each day, each week and each month and the population figures keep mounting until they become nothing but figures. We fail to think of 50,000 population as representing real people, for some reason, even though we know they are here. Yet they are to be seen at the theatres, window shopping, motoring about town, buying The Glendale Evening News and so on.

And then there are the youngsters of another generation growing like the grass; why, it is like a fairy tale and entirely incomprehensible. Words utterly fail to express the idea of growth here. And we are so pre-occupied with this pyramiding population that we fail to say "Howdy" to the stranger.

Beg your pardon, but in the words of the song, "Cut yourself a piece of cake and make yourself at home."

Grand Exalted Ruler Of Elks Warns Members Of Red Menace To America

By AL DIX
Of The Evening News Staff.

Members of Alhambra Lodge No. 1328, Monrovia Lodge No. 1427, and Glendale Lodge No. 1289 of the Benevolent and Protective Order of Elks, were privileged last night to welcome Grand Exalted Ruler James G. McFarland of Watertown, S. D., Lodge No. 838, on the occasion of the first visit ever made to this city by the head of this great fraternity.

In return they were permitted to be present and listen to one of the most masterful addresses ever delivered in Glendale. The Grand Exalted Ruler spoke on "Americanism" as laid down in the Elks' creed, and its every-day employment.

He was accompanied on his official visit by Grand Esteemed Leading Knight Harry M. Tricknor of Pasadena, and Grand Secretary Fred C. Robinson of Chicago. Seated on the rostrum, in addition to the distinguished visitors, were District Deputy Grand Exalted Ruler for California South Central Frank R. Cryderman, San Pedro; Peter L. Ferry, first Exalted Ruler of Glendale lodge in 1912; Arthur H. Dibbern, immediate Past Exalted Ruler, as well as the Exalted Rulers of the three lodges joining in the meeting.

Guests at Dinner

Prior to the lodge session held in the clubhouse of East Colorado street, the visitors had been the guests of honor at a dinner given at the Casa Verdugo cafe, at which 52 officers and members of Alhambra, Monrovia and Glendale lodges were present.

The lodge room was entirely too small to accommodate the crowd that awaited the Grand Exalted Ruler with a rousing welcome, when he appeared at the door of the lodge. The cheering, shouting and applause of the 600 Elks present could be heard for many blocks, and "Jimmy" McFarland was visibly touched by the warmth of his Glendale greeting.

His address was truly wonderful. He painted a word picture of the arrival of the late President Harding's funeral train in Washington, D. C., that held the audience spell-bound. He stated that as the funeral cortege proceeded to the White House, with not a sound disturbing the stillness of the night except the clatter of the cavalry horses' hoofs on the pavement, a sound like a soft breeze was borne to him. As the caisson bearing the president's body went past he understood what this sound was. It was a great sigh of reverence and regret for a great man who had given his life for his country, "in which I and my son joined," he said.

Warns of Red Menace

"I do not come as an alarmist," he said, "but I want to tell you red-blooded Elks that never in the history of this country was there more need for the application of the principles which you have adopted than there is at the present times."

He presented some startling figures which came to him as the head of the greatest American fraternity regarding the activities of the Bolshevists, Reds and other organizations of this kind in America, and the unfolding of the tale was indeed a revelation.

"Don't think that these fellows confine their work to the east," he said. "Some of their papers are coming to California, and are seeking to bring this fair state of yours to wreck and ruin. I charge you that it is your highest duty to checkmate these propagandists, and preserve unsullied that great American flag of which we are all so proud."

James A. Appfel, exalted ruler of Glendale lodge, presided over the meeting in his usual jovial manner, assisted by Harold G. Cogswell and Herbert J. Evans, grand exalted rulers of Alhambra and Monrovia, respectively.

Holiday Work Praised.

A wonderful report of the work accomplished during 1923, especially during the holiday season, was presented by Stanley S. Frentz, chairman of the sick and relief committee. Wonderful work has been done in this direction, and he was complimented very highly by the grand exalted ruler for his whole-hearted co-operation in the work that is the very foundation of the Elks' fraternity.

Mayor Spencer Robinson and Edwin J. Albright rendered vocal solos, and the evening was enlivened by several selections from the Elks' orchestra under the baton of "Bill" Bode.

The three lodges were complimented very highly by the three visiting grand lodge officers, all of whom spoke on different phases

ENDOW CRIB FOR CHILDREN, PLAN

Support of Bed In Hospital Is Aim of Auxiliary Members Here

At a meeting of the Glendale Auxiliary of the Children's Hospital society at the home of the president, Mrs. E. J. Morgan, 1125 South Central avenue, Monday afternoon, the decision was reached to support a Glendale crib in the Children's Hospital in Los Angeles, with funds received from the Welfare chest.

In addition to the original cost, the upkeep of the crib will be about $50 per year. This will be provided by funds from the annual contribution from the Welfare chest.

Mrs. Morgan was much gratified by the contributions to the hospital during the holiday season. She reports the following donations delivered to the hospital From the Glendale Avenue Intermediate school,: 12 quarts of canned fruit, twenty-six glasses of jelly and jam, and five quarts of vegetables; from the Thursday Afternoon club, twenty-two quarts of fruit, six glasses of jelly, one box of apples; from Mrs. Oelschlager, five quarts of fruit.

Loan Automobiles

Mrs. M. P. Moberly and E. J. Morgan donated the use of automobiles to deliver the supplies which were taken over by Mrs. Morgan and Mrs. E. V. Bacon, the vice president. In addition to the above donation the auxiliary provided twenty-three outing flannel gowns.

Mrs. F. W. Kille, secretary, reported on hand a donation from Chapter BA, P. E. O., of four and one-half quarts of fruit, jelly, oranges, a large box of infants' wear and adult clothing.

At the meeting yesterday a number of garments were cut out and Mrs. Morgan served tea and cake to the members present.

Chapter L, P. E. O., will sew Wednesday for the hospital.

CLASSES TO STUDY WORLD'S HISTORY

Records of Jewish Race from Begining of Time to Be Lesson Topic

The Bible study lessons for the first six months of the new year have to do with the part played in the first four thousand years of the world's history by the peoples now known as the Hebrews, but who were at that time really one of a great family of peoples known as Semites. This Semitic family included the Hebrews, the Babylonians, the Assyrians and the Canaanites, all these speaking one tongue, and differing only in their group governments. All were Hebrews.

With this foundation for study the Men's Bible Study class of the First M. E. church, under the leadership of the Rev. Edward Hoskyn, Sunday started to learn all possible of the early history of the Jewish peoples and to make application of great truths to the everyday life of today. A summary of this first lesson study follows, as interpreted by Rev. Hoskyn and his associates:

"Jewish history began with the creation and in the Garden of Eden. Even before the creation of the world God had the angels of heaven for associates, but it is clearly evident that God desired creatures 'fashioned in his own image and likeness,' and he therefore created man, that man might partake of the glory of the living God throughout eternity. But man in the garden yielded to the temptation of Satan and fell through unbelief, and must now be therefore saved by faith. Desire for wisdom caused the fall, and desire for the Christ spirit alone can save his people.

"There is little history of any importance from the creation until the flood—a period of 3,650 years. Enough is known to show that the world became dissipated and grossly immoral. There were but few men of God. Jehovah commanded Noah to build the ark, and by faith this was done and the acts of creation were preserved when all the rest of the world was lost. God then raised up a man of faith in Abraham, and by his faith and works was founded the Jewish belief in 'one true and living God,' and the world today owes this religious principle to the Hebrews alone. Abreham went where God sent him by faith alone, and wherever he went there was immediately set up an altar to Jehovah.

"The world then, as now, was disposed to worship idols. But Abraham established the worship of the living God, even as it is the duty of all followers of Jesus to replace the worship of worldly things with a worship of Godly things and of the truth which is eternal."

Leave for East to Dispose of Property

Mr. and Mrs. M. C. Sorensen, who have been residing here for the past four months at 210 East Fairview avenue, left yesterday via the Union Pacific for their home in Omaha, Nebr. They expect to return to Glendale as soon as they dispose of their property in the east. During their stay here Mr. Sorenson has been connected with Twining & Meyers, realtors, and upon his return to Glendale expects to open a realty office of his own.

Mr. and Mrs. Sorensen are both enthusiastic boosters for Glendale, the fastest growing city in America. They have two sons who make their home here, F. E. Sorenson of the Ahlmann Drug store and M. C. (Bud) Sorensen, Jr., who has a battery and electrical shop.

Community Service Will Stage Pageant

Drama and pageantry have been given a prominent place in plans of Glendale Community Service for the new year, and definite steps for development in these cultural lines—were taken at the meeting of directors yesterday, when Mrs. Max Lynn Green was recognized as head of the drama and pageantry department, and favorable action taken on her recommendation that G. F. Sturgis of Hollywood be secured to coach the first play.

Mr. Sturgis, who is widely recognized as a talented director will at once begin plans for the first play. Tryouts will be held at an early date and serious rehearsals begun.

Tentative plans are for producing a colorful pageant some time in the spring.

Crowded Highways Offer Striking Contrast With Traffic of Other Days

By "OLD TIMER"
Written for The Evening News

"On the Road—not to Mandalay, but to Pasadena," on Tuesday the highway was packed with automobiles three to six abreast west from Pasadena to the eastern limits of Eagle Rock city and south to the city limits of South Pasadena.

This fact is established firmly in the mind when the writer tried to enter the Crown City both ways on New Year's day.

In contrast to this rush and crush of automobiles, a look into the pigeon-hole or on the shelf in which the writer of this tucks away Memory's pictures, revealed a scene which, in comparison with Tuesday's throng, seemed incredible and absurd.

Road Was Open

However, in those days, one thing was sure, absolutely, that if you started in time you would be sure of getting there, for there was the "open road" although there might be a shortage of conveyances.

It was in the first few years of residence in Glendale, when autos were a novelty, and could not be depended upon to take the hills and the occupants frequently offered wagers with no takers as to the ability of the gasoline buggy to make the grade.

They were very much like the little old railroad that used to run around the San Diego hills over to Tia Juana and out to the Sweetwater Dam. The roadbed followed the contour of the hills and the little engine with its trailing cars, used to dash madly down a hill in order to gain momentum to get to the top of the next one.

Route to Pasadena

The road to Pasadena in those days led down through Eagle Rock Park and then up a long hill, curving around its sides like a long serpent. The road to the left over the bridges is of later construction.

The people of Glendale either drove across with horse and carriage or, going over to Eagle Rock on the car line, took the winding trail over the hill on foot. Even when driving so steep was the grade that most of the passengers got out and walked to relieve the patient horse of so much weight.

On the morning in question, there was a party of seven to be conveyed to the Tournament of Roses, three of them Chicago people on their first visit to California, and a lone pony and runabout were the only means of transportation. The old red livery barn on Glendale avenue was empty and locked up and offered no solution to the problem.

But the problem was finally solved by sending the five male members on the street car to Eagle Rock transferring to the yellow car to the east end of the valley, while the feminine members with a capacious lunch basket, followed later in the runabout, overtaking the party as they were about to start up the long hill.

Headed for Fiesta

The long curved hill was thronged with foot passengers all bound for the fiesta. Half way up the hill, a lone automobile, a "one lunger" was puffing and panting and threatening every moment to stop. The foot passengers were running alongside, laughing and betting as to whether the struggling creature would make the grade, when the expected happened and the machine stopped, with a few wheezes, then to the dismay of the driver, began to slide back down the grade.

Men and boys grabbed the "little creature" and by sheer force of weight and numbers held it till the driver could get a grip on the brakes.

Such was the friendly spirit in those days that on passing an old lady who was much distressed by the steepness of the climb, the pony and runabout were placed at her disposal, with one of the younger members of the party as a driver.

The former occupants were enjoying the upward climb in the crisp morning air, when a friendly hail and an invitation to ride came from Mr. Lennox of Glendale, who was leisurely wending his way to Pasadena in an otherwise empty surrey, Mrs. Lennox and the young folks of the family having joined the Frank and Ward young folks in a hike to the parade through Sycamore canyon and down through the Arroyo.

So all was arranged right merrily and in plenty of time the hill climbers and the hikers were united and never before or since was a day so bright or a parade more beautiful.

Lunch on Lawn

The lunch was eaten on the lawn of a friendly Pasadenan and the party scattered, some to the chariot races at Tournament park, and the hostess with the pony and cart started out to show the beauties of the Crown City to the Chicago visitor.

After viewing Orange Grove avenue, in crossing the down-

WEDDING BLENDS OLD, NEW STYLES

Union of Wealthy Chinese to Be Witnessed By Many American Guests

SAN FRANCISCO, Jan. 8.—Century-old traditions of the Chinese and 1924 wedding styles will be united here Saturday when Violet Hing, daughter of a San Francisco jeweler, becomes the bride of Henry Tong, son of one of California' wealthiest merchants. Mayor and Mrs. Rolph are among the hundreds invited to witness the ceremony, which is to be along American lines.

In contrast to the wedding scene, the bride-to-be has started distributing to her friends hundreds of presents, gifts of the groom's friends. This is the oriental way. More than 75 cases of gifts were received by the bride, including a box containing 1800 cakes.

While the ceremony is performed here, in far-away Canton, Tong's mother will entertain 700 friends at a wedding celebration.

Barrage of Water Is Sprayed on Students

A wet time was enjoyed by some of the members of the Glendale Union High school yesterday when some kind, benighted souls filled some paper bags with aqua pura and then, in order not to waste the liquid, threw them away. All might have been well but for the fact that they (the bags) seemed to travel in such a manner that some innocent personage was suddenly introduced to an extemporaneous shower bath. Which, in most cases, instead of cooling the person off, seemed to warm up their tempers to a high degree. Which may be strange scientifically, but not humanly.

'Stylus to Publish Seniors' Pictures

Seniors at Glendale Union High school are enjoying the privilege of having their pictures taken for the 1924 Stylus. The contract was given to the Paralta Studio, 109 North Brand boulevard, which gave the graduating class the low price of 50 cents per picture Tickets were placed on sale yesterday and today, and students are being excused from certain school periods in order to get the ordeals over with as soon as possible.

TODAY—News Notes from Russia

By ADELE PARKER
For International News Service.

MOSCOW, Jan. 8.—England is returning to her former function as financier of the export of grain from Russia. The abundant capital supplied by the English banks insures cheaper grain for Europe and better prices for Russia. The export of Russian butter to England this year amounted to 1,000 tons.

The Russian Foreign Trade Monopoly is organizing a floating exhibit to European ports. French importers are extending a cordial welcome. The ship will carry samples of raw materials, including silk waste, Koustarney products and grains. Dunkirk, Antwerp, Havre and Bordeaux will be visited.

Bank connections with Russia are growing in popularity. The Russian government has taken 40 per cent of the shares of the new Mongolian bank at Urga, and the Mongolian government has, likewise, taken 40 per cent. The rest of the shares are thrown on the market. A new Franco-Russian bank is being organized in Paris.

The second bread loan subscription was closed after the sale of bonds equivalent to 100,000,000 poods of rye. The loan was opened at the same amount as last year—20,000,000 poods—but so insistent was the demand for these bonds that the amount was twice extended. Owing to the success of the bread loan a new sugar loan bond has been placed on the market.

The Russian Central Co-operatives report a profit this year of 2,123,000 gold rubles on a turnover of 75,000,000 gold rubles. The outlook for the coming year promises a doubling of this turnover.

With the object of restoring the famine area, the German commune on the Volga has received a concession of 100,000 dessyatins of unoccupied land, with the privilege of subleasing. A sublease has already been given to a Russo-German agricultural society for thirty-six years, with the obligation to cultivate 10 per cent the first year, 30 per cent the second, 80 per cent the third and the total area the fourth year. The rental is, in percentage of the gross yield f. o. b. railway: 14.5 per cent the fourth year, 17.5 per cent the fifth year and 19.5 per cent yearly thereafter.

Ashberg, president and chief owner of the Commercial bank in Moscow, has made a public statement on the cost of running passenger automobiles in Moscow. He states that there are in Moscow 1,855 passenger machines, that 1,750 of these are owned by the government, and that the cost of operation of these 1,750 machines, monthly, is 1,750,000 gold rubles —$500 a month for each machine. At the same time the press gives the information that the 40,000 stokers of stationary boilers in Russia are to be given special courses in economy in the use of fuel and that firemen of high-pressure engines are admitted to special technical courses in six cities of Russia.

W. G. Groman, of the Russian State Planning commission, has made a detailed report of the condition of production in Russia for the year ending October 1.

The report fixes the total agricultural production—grain, flax, etc.—at 4,500,000,000 poods as compared with 6,000,000,000 poods in pre-war time. But owing to low prices the value of production is only 3,500,000,000, and the net production (after paying for the cost of labor and material) is 3,000,000,000 poods. In industry the total production is 2,600,000,000 poods (nearly 40 per cent increase over the previous year by weight), which is 45 per cent of pre-war production by weight. Owing to the high price of labor and material in industry the net production is only 950,000,000 poods when compared with its value in pre-war figures. Pre-war production, gross, in industry was 5,600,000,000 poods.

In Petrograd during the last eight months thirty factories have been closed in the general movement toward consolidation for economy, while at the same time the number of workers employed has risen from 96,000 to 105,000.

The Nova Zembla expedition, under Professor Saliolovich, has returned to Petrograd bringing a report of a great find of coal and the discovery of a new species of salmon.

Dinner Stories

There was a great deal of severe heckling of candidates in the recent British election. But the heckling contained as much humor as usual.

A woman speaker in a political audience on the edge of London lost patience with the speaker on the platform and shouted, "If you were my husband I'd give you poison."

The speaker replied coolly: "Madam, if I were your husband, I'd take it."

A candidate for a seat in parliament said of his opponent: "I notice in the local press that Mr. Blank is described as a distinguished barrister. He may be, but all I can say is that I have never heard of him. More than that, I have made inquiries at the bar about him, and he seems to be totally unknown."

Up spoke a Briton in the rear of the hall: "Maybe you inquired at the wrong bar, mister."

Clancy stopped his friend Sweeney on the street one day, says Everybody's.

"I hear you're moved, Sweeney. How do you like your new place?"

"Well, Mike, it costs a lot, but there's a lot goes with it. An' then them new conveniences are great things. Sure, we've been living a month there now and the first day we lit the gas range in the kitchen and it ain't out yet."

The kodak was invented in 1888.

PEEVE PRODUCES FOLLIES STAR

Shirley Vernon Wins In Theatrical Feud

Shirley Vernon (in center), Mary Eaton (left) and Marilynn Miller

NEW YORK, Jan. 8. — Marilynn Miller and Flo Ziegfeld had a "fight."

Shirley Vernon won.

The blonde Miss Vernon has been elevated to stardom in the famous role of "Sally" as a result of Marilynn (Who is also Mrs. Jack Pickford, you know) breaking with Ziegfeld because he failed to provide her with a new show although he was able to find a new one in which to elevate Mary Eaton, Marilynn's successor in the Follies, to the premier role.

Marilynn is supposed to have received $3,000 a week as "Sally."

She denies that the reported strained relations existing between Ziegfeld and her husband, Jack Pickford, had anything to do with the break. There was quite a hullabaloo from the Ziegfeld offices when Marilynn and Jack were married and Ziggy was accused of jealousy, although he is married to Billie Burke, but it may have all been a publicity stunt.

On the Spur of the Moment

AN EASY JOB

I heard some readers loudly muse
As they my daily work peruse,
"I wonder who the guy can be
Who writes such rotten poetry.
He surely has an easy job,
He doesn't have to use his knob,
The stuff he writes is so darn cheap
That it will make a monkey weep.
Ah, sad indeed is my poor lot,
To hear the talk I merit not,
For I have spent a lot of time
In grinding out a lot of rhyme
In hopes that some of it might show
Me how to make a little dough.
And oft I've lain wake at night,
To think of something I could write,
And even this, though not a gem,
Has kept me up past 1 a. m.

The present slogan is: "If telephones interfere with your business, hire a secretary." A secretary is able to say that her employer is out to lunch from 10 a. m to 5 p. m. without batting an eye. If you have called for him on the phone every hour all day and find that he has been "out to lunch" every time, and mention casually that you think he must have a terrific appetite she will tell you in her best movie English that her employer's appetite makes no difference in her young life, and there you are.

OUR OWN DAILY SHORT STORY

Where There's a Will

"Before I married," said the middle-aged man, "I was terribly extravagant. I went to theatres and dances, smoked cigars and drank champagne. But now—well, I live a quiet life at home, smoke shag and drink water."

"What a strong will it must need to change like that," said the young bachelor.

"She has a very strong will," replied the married man.

THE MELANCHOLY TIME

The banquet season's here once more.
Trot out the good old gags.
It is our chief delight to roar
At after-dinner wags.

Oh, polish up the ancient wheeze,
The one we always like.
Fling forth upon the banquet breeze,
The tale of Pat and Mike.

The flivver stories always go.
And prohibition stuff.
A foolproof anecdote or so
Should never be enough.

So spread the jokes with lavish tongue,
And broadcast them galore.
We'll laugh just like when we were young.
We've heard them all before.

PROF. STEINBRUGGE SAYS

The kiss may be hygienic and it may not; but it has changed the destiny of many a man and woman. The kiss when indulged in under conditions—with its strangeness—which dignify the whole circumstance, is perhaps the most noble token of idealistic affection. Nothing is so striking in the survey of this field as the importance of the kiss as rendered—or delivered. The reception of the kiss—willingly or fictitiously unwillingly—by the woman has brought havoc in the history of the world. The salute with the lips has been the means of many an ambitious person climbing to what is known as fame. It has been the cause of much degradation. The kiss will go on forever. It will be indulged in in spite of scientists, professors and pedagogues. It is a manner in which a man may show his admiration of woman. It is a weakness and a strength. It is wonderful!

Professors are not given to kissing much; they often wear beards.

They say the best of friends must part,
But, Jim, I haven't got the heart
To speak the last farewell to you,
A friend who's been so tried and true.
I have enjoyed your winning smile
And cheery ways for quite a while.
Your "Howdy-do?" has been a treat,
That's made my joy in life complete;
Your touching ways have reached my soul,
And, honest, Jim, upon the whole,
I could give up most any one
Excepting you and call it fun.
When to my side I've seen you lope
For years I've had a glad, sweet hope,
A hope that has been deeply prized;
A hope that's ne'er been realized.
Perhaps some day without a tear,
Without a thought that's sad and drear,
I can afford to see you go
Away from me. 'Tis sad I know,
But parting will be easier when
You've come and paid me back that ten.

Uncle Wiggily Bedtime Stories

— BY HOWARD R. GARIS —

UNCLE WIGGILY'S NEW YEAR'S CAKE

"It seems to me," said Uncle Wiggily, slowly twinkling his pink nose at Nurse Jane; "It seems to me something was left out."

"What do you mean — left out?" asked the muskrat lady housekeeper, "If you mean you left the Woozie Wolf out in the cold the last time he chased you —why, that was all right."

"Indeed it was!" chuckled the bunny gentleman. "But I didn't mean that. I mean something was left our of our New Year."

"It can't have been the dinner," spoke Miss Fuzzy Wuzzy. "I gave you a good dinner yesterday.

"I know you did, and I thank you for it," replied Mr. Longears. "But what about the New Year's cake? Eh, what about that?"

"Oh, bless my whiskers!" squeaked Nurse Jane, for she did have whiskers, though she was a lady. But, being a muskrat is different, you know. "Bless my whiskers! I forgot all about the New Year's cake!"

"It isn't too late yet!" said Uncle Wiggily. "This is only the week after New Year's and the cake will taste just as well now as if we had eaten it then. Will you make a cake now, Nurse Jane?"

"I will," answered Miss Fuzzy Wuzzy, and she at once began.

While you are making the New Year's cake," said Uncle Wiggily, "I shall hop around the bungalow a bit and look for an adventure."

"I wish," spoke Nurse Jans. as she tied her long tail in a bow knot, "I wish that you would do your hopping out of doors. If you hop i nhere you may break the eggs."

"I wouldn't want to do that!" laughed Uncle Wiggily. "So I will hop outside while you make the cake."

No sooner said than done. Nurse Jane began beating up the eggs, stirring into them the flour, sugar butter and whatever goes into a New Year's cake, and Uncle Wiggily hopped around outside the bungalow, looking for an adventure.

"But I hardly think I can find an adventure so near at home," thought the bunny gentleman. However, almost as soon as he thought that he heard a voice saying:

"Oh, how hungry I am!"

and another voice said:

"I am hungry, too!"

Looking around, Uncle Wiggily saw Dickie and Nellie Fliptail, the sparrow children.

"Oh, ho!" laughed the bunny. "I'm glad it is you who are hungry, and not the Woozie Wolf or the Fuzzy Fox! Come into the bungalow and have some of the New Year's cake."

"Oh, goodie! Goodie!" chirped Dickie and Nellie.

"Oh, ho, Nurse Jane," loudly cried Uncle Wiggily, as the sparrow children flew into the bungalow after him. "I have brought you some company! Is the cake baked?"

"I am, just taking it from the oven," answered Nurse Jane. And when she saw Dickie and Nellie she gave them some lovely brown cake crumbs, for that was all they could eat.

"Thank you, Uncle Wiggily! Thank you, Nurse Jane!" politely chirped the sparrow children, as they flew out of the bungalow. Nurse Jane set the wonderful chocolate cocoanut frosted cake on the pantry shelf and Uncle Wiggily, once more twinkling his pink nose, said:

"Now I shall hop out and look for another adventure. That little one with Dickie and Nellie was hardly enough. I shall come home very hungry for that New Year's cake, Nurse Jane."

"I hope you may like it," squeaked the muskrat lady.

Uncle Wiggily hopped over the fields and through the woods, but not another adventure did he find. Then, as it grew dark, he hopped back to his hollow stump bungalow and there, as he went inside, he found an adventure! The Bob Cat was waiting for him! Nurse Jane had gone to the movies, she had forgotten to lock the door and the Bob Cat had slipped in!

"Oh, ho! Here you are!" howled the Bob Cat as Uncle Wiggily entered. "I have been waiting for you to come that I might nibble your ears!"

"Dear me!" exclaimed Uncle Wiggily, Then he thought of a trick to play on the bad chap. "Before you nibble my ears," went on the bunny, "would you not like a bit of chocolate cocoanut frosted New Year's cake?"

"Yes," impolitely howled the Bob Cat, "I'll have a piece of cake."

"Oh, goodie! Goodie!" chirped Dickie and Nellie.

Uncle Wiggily cut a large piece of cake and put it on a plate for the Bob Cat. The bad chap, still impolitely, was going to eat it with his claws.

"Let me get you a fork," said the bunny. And when Uncle Wiggily brought the fork for the Bob Cat to eat the cake, instead of handing the fork to the bad chap, Uncle Wiggily tickled him in the ribs with it!

"Tickle-ckle!" went the fork on the Bob Cat's ribs.

"Oh, wowchie ouchie scowchie!" howled the unpleasant creature. "This is too much for me! I never could stand or sit being tickled!" And out of the door he ran, dropping his piece of cake and not nibbling the bunny's ears at all.

"Ha! Ha!" laughed Mr. Longears, as he picked up the Bob Cat's plate, "it's a good thing Nurse Jane baked a New Year's cake."

And if the ribbon band on the rag doll's sailor hat doesn't play such a loud tune that it wakes up the alarm clock, I'll tell you next about Uncle Wiggily's ice trick.

Mrs. Coolidge Listens To Debate on Russia

WASHINGTON, Jan. 8.—Crowds of visitors stormed the Senate gallery during the debate on the recognition of soviet Russia. It was the largest attendance of the present congress. Mrs. Calvin Coolidge, wife of the president, arrived with her elder son, Calvin, Jr., and a party of friends while Senator Borah was speaking. She created a stir among the scores of society women present. The diplomatic gallery was also crowded.

Diet and Health

By Lulu Hunt Peters, M.D.

Author of "Diet and Health, with Key to the Calories"

CALORIES NEEDED PER DAY

This reducing series began on New Year's day Will you get the back newspapers if you missed them?

You know what Calories are now and you know how many there are in the different foods.

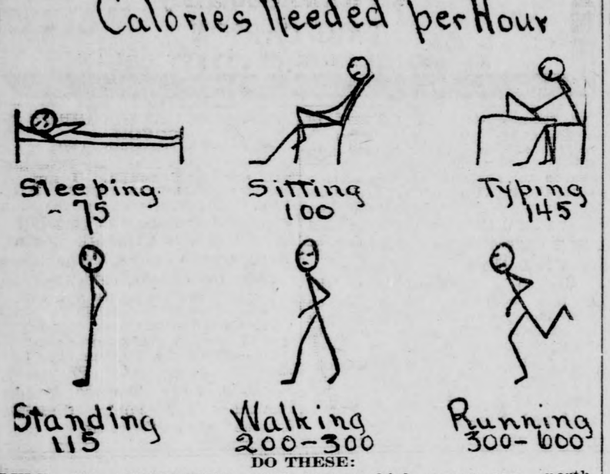
Have you memorized the table I gave you yesterday? Do that. Also the definition. Now you must know how many Calories a day are necessary for the normal individual. Of course I have you at present on a reducing diet, but when you are down to normal you won't have to be so strenuous.

BUT—You are never going to be able to eat more than you need without storing it away as fat, or disease, or both!

means that 1000 C. of fat or useful work, instead of lumbering up your interior and exterior decoration, and you are that much lighter and healthier. One quarter pound a day means approximately eight pounds a month.

That is enough to lose for steady work. If you reduce too rapidly, your heart, kidneys, and nervous system are liabe to suffer, for you are supplying too much internal fat for your fuel, and you will not be eating enough to supply the essential elements needed by the system.

Are you exercising? You should be. Add a good kicking exercise. With one hand on something to support yourself,



kick as high as you can, north, east, south and west. Begin with 10 and work up to 100 a day, especially if you are heavy in the sitting region. I know a woman who kicked off four inches in four months. Some kick.

Later in the course I will give you some more good exercises.

Tomorrow—Care in Counting Calories

DO THESE:

RULE TO DETERMINE THE NUMBER OF C. NEEDED:—

An adult needs from 15 to 20 C. a day per pound of normal weight, depending upon age and activity. For instance, say you weight 200 or 100 but your normal weight should be 135. Then 135 is the figure you would take. If you have some physical work and exercise, then say you need 18 C. per pound; 135 times 18 C would make 2250 C. per day your needs for your maintenance diet—one that maintains your weight so you do not gain or lose.

The following illustrations show you how these calories are used in an individual of 150 lbs. weight:

The walking and running will illustrate moderate and heavy exercise. You can see from these that there is some sense in the fad of standing an hour after eating to reduce. Not much, but a little. However, perhaps it would be more comfortable to leave off a quarter pat of your butter.

The reason I put you on 1200 C. daily was because that is probably 1000 C. less than the average person needs, especially one of sedentary occupation. 1000 C. supplied from your anatomical larder

My Dear Followers:

When sending for material which we offer you, please remember to enclose a stamped envelope bearing your full name and address. The pamphlet on reducing and gaining is the only one for which you must enclose four cents in stamps extra. Address your letters to me in care of this paper. Make them as brief as possible, not over 200 words, and type or write them legibly with ink. Please sign your name as evidence of good faith—we will not use it in any way. Remember it is impossible for me to diagnose for you or to answer you personally. I appreciate very much the beautiful letters you send me and regret it is impossible to give you individual advice. The questions you ask will be answered in the column as soon as possible, if they are of general interest. Don't forget the s. a. s. e. if you expect me to send you the information I have offered.

Bride Readers: "When you say 'rolls' in your menus, do you mean home-made ones or baker's rolls?"

Answer: It is nice to serve home-made rolls if women have the time and strength to bake their yeast breads (most of us can manage quick, hot breads). But where it is a question of a housekeeper's health—where it would overtire her to do heavy baking—the bakery store is a blessing. And today bakers' bread is generally excellent—especially the rye and wholewheat breads.

Mrs. X.: "We want to have our hallway repapered this winter. It is badly cracked; and humpy from plaster-patching beneath the old paper. What can we do to overcome this unevenness before we repaper?"

Answer: There is only one thing to do: choose a wall paper which is figured—that is, closely covered with some small, dignified pattern. If you put on a plain paper the unevenness would still show; but a figured paper will hide this defect. Of course you should fill in cracks with patching-plaster before having the papering done.

Miss B.: "How can I make my floors light oak? They are now painted red."

Answer: You will have to begin by removing the red paint as follows: To remove either paint or varnish: Prepared removers are now sold in hardware stores but these are too expensive to use on a large surface. Good substitutes are either potash or soda. To work with any one of them, have the windows open, as it is not good to inhale the fumes. If you decide to use the potash, mix one pound of it with six quarts of cold water and apply with a mop. If you prefer the soda, however, use one pound of it to five quarts of boiling water. Also remove these liquids with a mop and wringer. The hands cannot be used, as no glove will resist the caustic. When you have removed all the paint (it is often necessary to make a second application on some parts of the floor) the next step is to wash well, let dry, then paint it with a light oak paint. Cover with varnish and the work is done.

Young Housekeeper: "How do you bake an egg?"

Answer: Cover the bottom of a buttered, individual ramekin or baking cup with crumbs. Break an egg on the crumbs (or, if you are inexperienced, break it into a saucer and slip it off into the crumbs), then add a pinch of salt and pepper, cover with more crumbs, add one tablespoon of thin cream, and bake in a medium hot oven till the white is "set." Serve at once.

(Tomorrow: The Delicious Flavor of Mushrooms)

All inquiries addressed to Miss Kirkman in care of the "Efficient Housekeeping" department will be answered in these columns in their turn. This requires considerable time, however, owing to the great number received. So, if a personal or quicker reply is desired, a stamped and self-addressed envelope must be enclosed with the question. Be sure to use your full name, street number, and the name of your city and state.—The Editor.

OF THE PARISIAN MOMENT

Smart and of the Parisian moment are these two frocks for youthful figures. The first, an exquisite dark-blue flat crepe, has two flounces at the front which may be gathered or plaited. The back of the dress hangs in straight lines from shoulders to hem. The round neck is finished with a piping of self-material. For a colorful touch there is a belt of brocade ribbon in Chinese colors. Medium size requires 4½ yards 36-inch crepe.

A finely woven silk-and-wool jersey is used for the second frock, which is in a very light biscuit color. The round neck is embroidered in rope silk of self-color. With the dress is worn a cape of tan velour, lined with rich brown crepe de chine. If preferred, the yoke and collar of the cape may be of contrasting material. Medium size requires 1⅞ yards 54-inch tubing for the dress, and 2¾ yards of 54-inch material for the cape, with 3¼ yards of lining.

First model: Pictorial Review dress No. 1682. Sizes 34 to 44 inches bust and 16 to 20 years. Price 35 cents.

Second model: Dress No. 1695. Sizes 34 to 44 inches bust and 16 to 20 years. Price 35 cents. Transfer No. 12820. Blue or yellow, 25 cents. Cape No. 1063. Sizes 36 to 42 inches bust and 16 years. Price 35 cents.

Heart and Home Problems

By MRS. ELIZABETH THOMPSON

TWO LETTERS FROM YOUNG GIRLS

Dear Mrs. Thompson:—We are two girls in our senior class at high school. Last year we attended a dance in another city. Here we met two young men, each one a year our senior. They have been corresponding with us ever since.

One of us is not trusted by her friend. He thinks she has dates with some one else when he hasn't the opportunity to come down and be with her. Is he jealous, and should she keep up a regular correspondence with him?

The other young man has kept up a steady correspondence with his girl until two months ago. Yesterday she again received a letter from him, asking her whether he could come down. Should she allow him to come? She doubts his love very much and therefore cannot make up her mind to let him come.

We are both considered good-looking and could have many dates in town, but refuse, because we so dearly love these boys.

TWO ANXIOUS LOVERS.

Don't bank too much on love from either of the young men. Probably they enjoy your company, but, because you are out-of-town girls they enjoy themselves with local girls when they find it impossible to be with you. Unless they have talked of love and marriage it is most unwise for you to give up your social life in your own home town.

The girl whose friend is jealous, makes a mistake in encouragaing him to feel that she has no other interest except in him. I see no reason for her to stop corresponding, but she should make it understood that only a friendly relationship exists, and he must not expect her to exclude friends in her home town. I see no reason why the other young man should not be allowed to call on the 28th. He, too, should be regarded as a friend and not a lover, since no engagement exists.

* * *

Dear Mrs. Thompson:—I am 16 years old and a freshman in high school. I have many friends who seem to like and find me interesting. I try to go with girls who make a nice appearance and who are refined. I have no intimate friends, and I go with my mother all the time. Mother is very pleasant and refined.

There are several young men who have tried to show me attention, but I would not allow it. There is one man who is about 45 who is a friend of mine. He has always seemed to like me, but not love me. I love him. Don't think because I am young I don't know. There have been many whom I have liked, but I love him.

Should I try to find out if he cares for me If so, how? Because of business arrangements I see him once every week for half an hour or so.

How would you handle the situation? PUZZLED.

I realize that it is often difficult for a girl to make a confidant of her mother. You would feel greatly relieved, however, if you confessed your love for the man to your mother and talked the matter over with her. It will do you good to express your feelings and not keep them pent up. Very often a girl of your ago loves some one considerably older, but the love is not a wise thing, because the difference in age is too great for congenial interests. Do not try to test the man's love, because there is really no way for you to do so. Try not to think of him so much and force an interest in people of your own age. You could have closer friends if you made the effort and sought them more. Invite young people to your home, and do not shun the companionship of girls of your own age.

BEAUTY CHATS

by EDNA KENT FORBES

ANSWERED LETTERS

Dancing F., Miss I. B.—An oily scalp usually goes with an oily skin due to some abnormal condition of the system. Faulty elimination often causes this difficulty and a correction of the trouble will react on the scalp restoring it to health. When shampooing such hair use very cold water for rinsing as it will stimulate the scalp and help restore it to normal activity. A tonic that has an alcoholic basis is advisable but it should be used sparingly and discontinued as soon as there is an improvement. This is because both an oily and dry scalp result from an abnormal condition, and a change from one state to the other may be effected, before healthy action has been maintained. Cold water is also good for restoring the busts to firmness when they have become flabby from wearing too tight brassieres. Deep breathing will also help.

S. L.—When pumice stone is used to remove superfluous hair the action is much the same as when shaving. And while it would be advisable to use it on the arms, if there are occasions when this hair would look badly, it would be impractical to use it on the face since the skin there is so much more sensitive than on other parts of the body.

F. R.—Since your trouble is that of a broken bone that healed without being properly set, it will take a surgeon to correct the defect. While a plastic surgeon does such work on occasion, in your case a surgeon in general practice would be able to correct the disfigurement. I am sorry, but I cannot suggest any one.

Pearl—Dermatologists have a treatment for filling out pits in the skin left from measles, chicken pox, or such other diseases. Unless these blemishes are very bad, however, I should not have anything done to them. It is well not to be self-conscious of every little defect, for in most cases no one notices them. A slight space between the teeth is not disfiguring; on the contrary, it is advantageous as nothing will stay lodged between them and they are not so apt to decay.

Ruth W.—Had you sent me a self addressed, stamped envelope, I should have been glad to mail you the formula for the hair tonic mentioned in the "Chat." If you are still in need of it, repeat your request.

W. W. W.—You may be able to develop the muscles directly over the instep by massaging and nourishing them with cocoa butter; but I should first consult a chropodist and see if you do not need arch supports. This would account for the unusual flatness of your feet and the supports, when properly fitted, would restore your feet to their proper shape.

Miggie—For reducing the hips through exercise, try rolling or kicking vigorously, first with one foot and then the other.

Tomorrow—Insomnia

All inquiries addressed to Miss Forbes in care of the "Beauty Chats" department will be answered in these columns in their turn. This requires considerable time, however, owing to the great number received. So, if a personal or quicker reply is desired, a stamped and self-addressed envelope must be enclosed with the question.—The Editor.

SULPHUR SOOTHES UGLY, ITCHING SKIN

The First Application Makes Skin Cool and Comfortable

If you are suffering from eczema or some other torturing, embarrassing skin trouble you may quickly be rid of it by using Mentho-Sulphur, declares a noted skin specialist.

This sulphur preparation, because of its germ destroying properties, seldom fails to quickly subdue itching, even of fiery eczema. The first application makes the skin cool and comfortable. Rash and blotches are healed right up. Rowles Mentho-Sulphur is applied like any pleasant cold cream and is perfectly harmless. You can obtain a small jar from any good druggist.—Advertisement.

LA CRESCENTA

COMMITTEES FOR NEW YEAR NAMED

Improvement Association Has Regular Meeting In School Building

The new officers of the Improvement association had charge of the regular meeting held last night at the school auditorium.

The road committee had no special report to make but it is hoped the road work promised will be accomplished this winter.

Mr. Collins has named the following men on his committees for the coming year:

Entertainment — Thomas S. Brown, chairman; Dr. Nettleton, E. Baron, D. Culberson, J. Young and E. Brombacher.

Roads—Harvey Bissell, chairman; H. Bruce, George Dunlop. The last named is the Los Angeles city attorney who drafted the new charter, and in appointing him, Mr. Collins feels he will be able to take care of meetings with supervisors of the roads. and other officials whose headquarters are in Los Angeles.

Fire—C. P. Waste, chairman; C. J. Young, G. Mead and H. Bissell.

Special—Namely, the council: C. A. Haskins, Dr. Telfer, T. Brown, J. Newton, C. Easton, M. D. Kemper.

Emergency—Rev. Kelso, E. Blanford and H. Carpenter.

Finance—Seymour Thomas, C. Haskins and S. B. Young.

$60 From Dance

Thomas Brown, chairman of the entertainment committee, gave a report on the "Dance of the Nations." The receipts showed a profit of $60 for the fire fund which is most gratifying. At Mr. Brown's suggestion a letter of thanks to the members of the Woman's Club will be sent by the secretary.

The music was the only expense attached to the dance, that the Improvement association will have to bear, the rest being donated by Thomas Brown—who further stated it was his intention to put on a first-class minstrel show about the middle of March. The actors will, of course, be local people. Mr. Collins complimented Mr. Brown on being able to put $60 into the treasury where there had been nothing but a deficit, and at his suggestion a rising vote of thanks was given Mr. Brown.

A notice from the Cresenta Mutual Water company was read, wherein all stockholders were asked to be present at a public meeting on January 10, to be held at the auditorium. There has been so much dissatisfaction over the large water bills the officers of the company have thought the matter over thoroughly, coming to the conclusion that the solution is the formation of a water district.

Complain of Phones

The telephone question was discussed pro and con, many compliments being made in regard to the ten party line system in use here at present. Complaints were also made in regard to the company's practice of taking a deposit on a phone, and the depositor receiving his instrument a year or so later.

Mr. Collins read a letter from the railroad commissioner which asked for all complaints to be sent to him, aiso requests for new telephones. Mr. Collins will then send in these letters to the commissioner who will give them proper atention.

Mr. Blanford, superintendent of the school, requested a phone be installed both in the Montrose school and the local school.

Legion Celebration

Mr. Baron, speaking for the Legion, stated the boys expected to have a big time when the colors are presented to the Green Verdugo Hills Post. There will be a band from Glendale. The date of the affair has not yet been set, but it will take place at Sparr Heights Community house.

Complaints were registered by residents on Piedmont avenue, who wish steps taken to remove a corral containing twenty-eight horses from this street. A letter will be written to the health department on this matter. Ten members renewed their subscriptions to the association at the close of the meeting.

La Crescenta Community church will hold a communion service on Sunday morning at the church on West Montrose avenue. Rev. William Hoffman will preach and Rev. J. McGuthrie will administer the sacrament. As this is the first communion service in the new church it is hoped a large number will receive the sacrament. Rev. Kelso, the pastor, extends a cordial invitation to all newcomers to attend the services.

Guild Holds Meeting

The ladies of the Woman's guild of St. Luke's of the Mountains met on Thursday afternoon at the La Crescenta hotel at the invitation of Miss Drennan. Mrs. Mary B. Darrow opened the meeting with the customary prayer. Mrs. Scoles, secretary, reading the minutes of the last meeting, which was held at the home of Mrs. Seymour Thomas in conjunction with the bazaar. Mrs. C. A. Haskins, as treasurer, gave the financial report of the building fund, and the guild fund. Mrs. Seymour Thomas read the statements of money earned by the bazaar, which turned in $192.72 to the building fund.

It was decided to have printed cards ordered for the corresponding secretary, for use in notifying members of the coming meetings. Committees were appointed for the different residential districts and these committees will take charge of visiting newcomers in the valley, also any members who may be sick at any time.

On a suggestion made by Mrs. Mark Collins the ladies are invited to bring needlework with them to occupy their hands, while they are discussing the business of the guild. Mrs. C. A. Haskins was appointed chairman of a purchasing committee, to procure materials which will be made into garments for sale at any time through the year, or at the next bazaar. At the close of the meeting Miss Drennan served tea and sandwiches.

On Sunday Dr. Renison of Eagle Rock will administer Holy Communion at 11 o'clock service. He intends also to organize healing classes and all who are interested should leave their names with Dr. Renison at the close of the Sunday morning service.

town district, the driver became confused and lost her directions, and three times the pony left to his own sweet will, brought up at the drinking fountain at the Green Hotel.

Passing this fountain on last Tuesday, the writer was reminded of the incident. If a friendly policeman had not come to the rescue that day and given explicit directions which the Chicago visitor, taking the reins from the nonresisting driver, followed and piloted the pony in the way he should go, we might have been milling around that fountain to this day.

EAGLE ROCK

ELIMINATE TURN IN STREET, PLAN

El Monita Avenue Will Be Cut Straight Through To Annandale

Excitement has been caused by an announcement from east end subdividers and property owners that El Monito avenue is to be cut straight through to Annandale boulevard, doing away with the sharp turn that has long been a complication to motorists.

With the announcement comes the declaration that the corner in their district is to be made into an exact replica of the well known west end "Sunshine Corner" and is to be called "Moonshine Corner."

With the rivalry between these two districts growing ever keener, Eagle Rock can be certain of some lively developments during 1924, all with the final result of making this a finer, bigger community, feel residents.

Local Notes

The name of Packard avenue has been officially changed to Highland View avenue, owing to conflict with an avenue of this name already existing in Los Angeles. This is the fifty-third change of street that has been made since consolidation.

Dr. H. J. Wickman, a practising physician, has opened an office at 5112 Townsend avenue, Monrovia, coming here recently with Mrs. Wickman. Dr. Wickman came originally from Hampton, Iowa, where he practiced medicine and surgery for seventeen years, being allied with two hospitals during his practice there.

It was, indeed, an auspicious affair, that P.-T. A. meeting last Wednesday afternoon, over 100 guests gathering to honor the three brides of the school faculty, Mrs. Dorothy Denman Sokolow, Mrs. Dorothy Johns McNary and Mrs. Mary Ostergaard Hall.

Games were under the leadership of Mrs. J. C. Reiter and decorations, in pink and white, were arranged by Mesdames Wentworth, Parker and Bailey.

Announce Concert Program

The second appearance in Eagle Rock of the celebrated Congregational church choir, of Los Angeles, under the direction of John Smallman, announced for the night of January 11 at the Women's Twentieth Century clubhouse and anticipated for months by music lovers, brings a program that will delight the large audience anticipated. It is given below:

Worthy Is the Lamb That Was Slain, from the Messiah, Handel —Chorus.

How Lovely Is Thy Dwelling Place, Brahms—Chorus.

Selection for two violins—Morris Stoloff and Sol Cohen.

Sing, O Daughter of Zion, Stevenson—Chorus and solos and duet.

The Birds Praise the Advent of Their Savior, Catalonian Christmas carol of the XV century. After the setting of Don Lluis Millet by Kurt Schindler.

Hymn to Raphael the Divine, Bossi. For eight parts, sung in Italian. Composed for the fourth centenary of Raphael's death and performed in the Pantheon, Rome, April 7, 1920.

Intermission.

Volga Boatmen's song, Russian Folk Song—Chorus.

(a)—Oriental Serenade, Rimsky Korsakof.

(b) To a Wild Rose, McDowell.

(c)—Carmena, Wilson.

Criterion girl's trio.

Selection for two violins—Morris Stoloff and Sol Cohen.

Fantasy on a Russian Folk Song. Samuel Richard Gaines — Chorus assisted by Morris Stoloff and Sol Cohen.

Sparkling Sunlight, Arditi — Adapted to the Kiss Waltz — Chorus.

The Congregational church choir comprises: John Smallman, conductor; Morris Stoloff and Sol Cohen, violinists; Erma De Mott and Rosalie Phillips, sopranos; Eunice Rose, contralto; Criterion Girls' Trio, and Lorna Gregg, accompanist.

BURBANK

ANNUAL BANQUET OF C. C. PLANNED

Musical Numbers Will Share Space on Program With Noted Speakers

The Chamber of Commerce banquet to be held Friday, January 18, at the Methodist church, will number among its speakers Charles Bayer of the Los Angeles chamber, and P. Bundy of Long Beach. W. P. Coffman of this city, a man prominent in civic life and president of the Kiwanis club, will act as toastmaster.

Musical numbers will be furnished by Mr. and Mrs. Everett Grey and Christine Krum, on the piano, saxophone and violin, while Marye Trapani Swift will sing, accompanied by Mrs. Walter Fisher. This is the report made by the entertainment committee, comprising Dr. David Thompson, Dave Bricker and Mrs. May Clarke.

Thus it is seen that the Burbank C. of C. has started the new year with a bang under the guidance of its new executive secretary, J. W. Charleville.

Return From Europe

After a six months' visit with relatives in Italy, Mr. and Mrs. John Ghio and daughter have returned to their home at Alameda avenue and Lake street, where Mr. Ghio owns a ten-acre tract.

While abroad the family toured in France. They express themselves as greatly surprised at the rapid strides the city has made in their direction, and Mr. Ghio is now planning to let his holdings in that section go to subdivision, as he feels the time is ripe for it.

Mr. and Mrs. John Alfred Smith are the newest Burbank newlyweds. The bride was Miss Meta Elizabeth Seeling, daughter of Mr. and Mrs. Feliz Seeling, 460 Santa Anita avenue. They were married at 7 o'clock New Year's eve. The groom is connected with the Moreland Sales corporation, Los Angeles.

William Coryell Out

P. A. Farley has succeeded William Coryell as building inspector of this city. His long experience as a building contractor well qualifies him for the position.

William Coryell, who tendered his resignation to the Board of Trustees last week, to become effective at once, gives health and the press of other business as the reason for severing his connection with the building office. He plans to go with Mrs. Coryell to San Diego for a time, in the hope that the change of climate will be beneficial to them.

George T. Richard is at the Cottage hospital with a broken leg, the result of being struck by an automobile driven by R. E. Whitley of Van Nuys. The accident took place at 8 o'clock Monday night, New Year's Eve, at the corner of San Fernando boulevard and Olive avenue.

F. J. Hewlett Likes Glendale's Own Paper

Praise of the big New Year's edition of The Glendale News comes from Frank J. Hewlett of 176 East Seventh South, Salt Lake City, Utah.

Upon receipt of the New Year's paper Mr. Hewlett writes: "The New Year's edition of The News received and it is sure a hummer and would be a credit to a city of 200,000.

"The vote for sewer bonds will carry by a substantial majority and the next step should be for a greater water supply. When that problem has been satisfactorily solved Glendale can lay claim to being queen of the Jewel Cities.
